

## **UCF RULES**

### **RWC Park Policies**

- No Alcohol or tobacco products are permitted on the premises.
- No driving or parking on the grass is permitted at any time.
- Any damage to the RWC Park Facility, including the grass and landscape, will result in repair charges and disciplinary action.
- All garbage must be disposed of in proper receptacles. User will incur charges if facility must be cleaned by RWC Staff after use.
- No permanent alterations shall be made to the RWC Park Facility.
- Digging is prohibited at all RWC Park Facilities.
- No pets are permitted on the premises except those providing assistance to users with disabilities.

### **Turf Field Policies**

The following items and activities are prohibited on the Turf Fields:

- Tobacco Products (Smoking or Chewing)
- Sunflower Seeds or other shelled nuts
- Chewing Gum
- Pets except those providing assistance to users with disabilities
- Metal Cleats or long spike track shoes
- Cleats longer than 3/4 inch
- Food and Open Beverage containers
- Glass containers
- Sharp Objects
- Bikes, rollerblades, and skateboards
- Fireworks or any other open flame
- Golfing
- Shot putting, discus, or javelin throwing
- High pressure water spraying
- Placement of any spikes into the ground
- Chairs with pointed legs
- Motorized Vehicles
- Heavy static items without approval by RWC staff
- Moving of any items or placement of any items on to the turf without RWC staff approval

### **Severe Weather Policy**

- Severe weather is defined as thunderstorms and other disturbances which may include “accompanying winds and gusts, micro bursts, tornadoes, hail, heavy rainfall (flooding) as well as lightning.”
- The RWC operates a lightning detection system that predicts and monitors in real time changing atmospheric conditions.
- If lightening is detected the *ThorGuard Lightning System* will respond with 1 loud siren and ALL outdoor activities including RWC Park reservations will cease until the lightening has cleared and system has indicated clear conditions.
- The *ThorGuard Lightning System* will indicate when it is safe to return to activities by 3 short sirens.
- RWC Staff will provide safety warnings in the absence of an alarm system.
- RWC Staff has the authority to close a facility based on visual observations of severe weather.
