ORGANIZATIONAL GUIDELINES FOR THE 2015 SEASON: - (continued)

8. All players participating in the North Georgia Youth Football League must meet the following eligibility requirements:
- a) New Players may participate with any agency in the NGYFL; however, a family must physically change their permanent residence and show proof in order for player(s) to participate with a different agency in the NGYFL from one year to the next. Proof of permanent residence change should be a current utility bill that lists the player's guardian(s) first and last name along with the new permanent residence address. If a player signs up and participates with a different agency in the NGYFL from one year to the next AND the parents / legal guardian(s) HAVE NOT physically changed their permanent residence, the football commissioner / director of the recreation agency the player participated with the prior year must file a grievance before the first NGYFL game. If the grievance is upheld, the protesting agency / association must allow the player in violation to return to their organization that season at normal registration cost.
- *RESIDE shall mean the permanent residence of a participant.
- NOTE:** The construction of a home or dwelling, in anticipation of moving from one residence to another, or the signature of a lease in anticipation of moving from one residence to another, DOES NOT constitute eligibility. The actual date of occupancy shall constitute the completion of a move. Ownership of land, buildings, property, dwellings, or the possession of a post office box in more than one city / county, DOES NOT constitute eligibility.
- b) New players (players that have never participated in the NGYFL) may participate with any agency / association in the NGYFL their first year, but would be subject to Rule 8-a listed above should he / she wish to move agencies / associations in the future.
- c) Players must be eligible by age to participate in the age group he / she signs up for. Please note the age control date when signing up for the NGYFL.
9. Each association must make certain their teams/players are covered by accident insurance. This responsibility is solely on the Associations.
10. NO player(s) can be added to the team roster after the first league game September 12th, 2015. The only exception is when a team is close to forfeiting games due to a lack of players. If this situation exists, a team must have LESS than 15 of their original roster players active and playing before seeking to add players. Players who are inactive or no longer playing with a team must be dropped from the team roster before any 'new' players can be added. Any players dropped from a team's roster will become ineligible from that point on. All coaches must go through their Football Commissioner in order to add any players. NORTH GEORGIA YOUTH FOOTBALL LEAGUE

PRACTICE POLICY

The NGYFL has adopted a practice policy to use as a guideline relating to scheduled team practices, players missing a scheduled team practice, and communication requirements between Head Coaches and parents / legal guardians of players who miss scheduled team practices.

1 – Head Coaches (HCs) **MUST** communicate scheduled team practices in advance and on a consistent and routine basis so that parents / legal guardians can make necessary arrangements. Ideally, HCs should communicate the schedule for practicing a week in advance especially if the practice days each week varies from week to week (i.e. Week 1 practice = Mon, Thurs, Week 2 practice = Tues, Wed, etc...)

2 – The HC will set the team's practice schedule and attendance requirements. Once set, it is the HC's sole responsibility to ensure all players regardless of playing ability are held to the exact same practice and attendance requirement standards. HCs are subject to NGYFL disciplinary action if allowing double standards in relation to their own practice schedule and attendance requirements.

3 – If a player is going to miss a scheduled team practice, it is the responsibility of the parent / legal guardian to notify the **HC** before the scheduled practice occurs. In rare cases or emergency situations where the **HC** can not be notified in advance of the scheduled practice, the parent / legal guardian should notify the **HC** by the end of the day in which the practice was scheduled. These communication requirements begin with the very 1st scheduled team practice and remain in effect until the last scheduled team practice.

4 - **Parents / Legal Guardians:** The NGYFL expects players to make and participate in scheduled practices in order to gain privilege to the NGYFL's player participation rule. Player's safety, knowledge of plays both offensively and defensively, being in the right physical shape, etc...are all jeopardized when practice is missed. Failure to meet your team's practice attendance requirement or failure to communicate to your HC when your child has to miss practice **WILL RESULT** in the player losing privilege to the player participation rule.

5 – **Head Coaches:** You **MUST** discuss with your recreation agency Football Commissioner or City Recreation Department Football Coordinator any and all situations concerning players missing practice on a **WEEK-TO-WEEK** basis. The parent / legal guardian should be communicated with as well. If a player is to lose his/her privilege to the NGYFL player participation rule for the next scheduled game, the Agency Football Commissioner or City Recreation Department Football Coordinator must inform the NGYFL League Office, not the HEAD COACH.

NORTH GEORGIA YOUTH FOOTBALL LEAGUE

HB 284 The Return to Play Act of 2013

1. The Georgia Legislature passed HB 284 “The Return to Play Act of 2013” to bring awareness to concussions in youth sports and educate parents, coaches, officials and administrators of the symptoms related to this type of head injury. This bill became law effective January 1st, 2014.
2. What is the law?
 - a. Prior to the beginning of each athletic season, an information sheet that informs parents or legal guardians of the risk of concussions must be provided. The parent / legal guardian must sign an acknowledgment of receipt.
 - b. If a youth athlete (age 7 to 18) participating in a youth athletic activity exhibits signs or symptoms of a concussion, he must be removed from play and evaluated by a healthcare provider.
 - c. Before a youth athlete can return to play, he must be cleared by a healthcare provider trained in the management of concussions.
3. The NGYFL requires all football commissioners as well as one coach from each team to complete an annual concussion education recognition course. Once the course has been completed, the coach will be issued a certificate which shall be turned into the NGYFL by August 21st to verify the course has been completed.
4. The Centers for Disease Control and Prevention developed “The *Heads Up: Concussion in Youth Sports*” initiative to offer information about concussions to coaches, parents, and athletes involved in youth sports. “The *Heads Up*” initiative provides important information on preventing, recognizing, and responding to a concussion. For more information, please visit their website: <http://www.cdc.gov/headsup/youthsports/index.html>

COACHES DRESS CODE

1. The NGYFL strongly enforces the following coaches dress code:
 - a. Coaches must be dressed in a Rec / Team logo t-shirt or polo shirt
 - b. The team logo shall be on the front of the shirt. Nothing is allowed on the back of the shirt
 - c. Shorts or pants are acceptable; however, they must be worn appropriately around the waist
 - d. Coaches must always wear their coach’s pass around their neck on the field

NORTH GEORGIA YOUTH FOOTBALL LEAGUE

DRAFTING GUIDELINES

1. Any association or agency that has 30 or more players sign up in single or combined age groups must split into two (2) or more teams and draft players **EQUALLY** to each team **by each year of age**.

Example:

An association or agency has 31 youth sign up for the 10-11 year age division. Obviously, there will be two (2) teams created in this age group. The breakdown of sign-ups for this age group is as follows:

15 (10-year olds)
16 (11-year olds)

According to these drafting rules, each team must consist of an **EQUAL** number of 10-year olds and an **EQUAL** number of 11-year olds. In the example listed above and after the draft is conducted, each team must be comprised of the following:

<p>Team 1: 7 (10-year olds) 8 (11-year olds) ---- 15 total players</p>	<p>Team 2: 8 (10-year olds) 8 (11-year olds) ---- 16 total players</p>
--	--

2. In addition to equally drafting the players by year of age, each association or agency should organize an evaluation and draft each year of age as evenly as possible by talent.

3. Any associations having two (2) or more teams in an age group must set up a draft through the Catoosa County Recreation Department. A staff member of the CCRD will supervise the draft proceedings and will sign off on the rosters after the draft.

4. **NO ROSTER** will be accepted (or included in the League schedule) from an agency or association that has two (2) or more teams in an age group without the attendance and verified signature of the Catoosa County Recreation Department staff member.

*** NOTES OF IMPORTANCE ***

The NGYFL recommends a maximum roster limit (22 per team). Under this rule, all players will have a starting position on either offense or defense. The recommended roster limit of 22 players with the requirement of each player having a starting position on either offense or defense promotes participation, increased coach to player teaching during practice, and reduces the possibility of youth quitting the sport of football. **Players are not allowed to play both ways during the first half of the game unless the team is fielding less than 22 players.**

EXCEPTION: Teams may have more than 22 but less than 30 players in some cases so that players can continue to sign up for the sport of football and not be turned away. Under this scenario, subs can run in and out of the game in the first half for starters; however, any starter on offense cannot run back in the game on defense and defensive starters cannot run back in the game on offense in the first half. The NGYFL mandates creating two teams with 30 + sign ups.

The current NGYFL age groups for are: 5/6 combined, 7U single, 8U single, 9U single and 10/11 combined.

Each Agency's weigh-in is open for viewing by ANY coach or agency. It is strongly recommended that a Coach or Team Representative from every team be present at other agency's weigh-ins to witness weights of players that anyone perceives as questionable. Remember, perception of a player's size or weight by the naked eye is **NEVER** the determining factor on whether he/she made weight.**

WEIGHT LIMIT RULES AND GUIDELINES (Continued):

5. All players exceeding the weight limit must have the mandatory, League-approved decal on the front and back portion of their helmet. The approved decal is an oval sticker with the lettering “NGYFL” in the center.
6. If a player exceeding the weight limit (wearing the approved decal) advances the ball or any other situation listed in # 1 above, the play will be blown dead and the down will count. Deliberate and repeated attempts to violate this rule by coaches will result in ejection from the game, and, consequently, a suspension.
7. Fumbles and interceptions ***can be*** advanced by **ANY** Defensive player per GA High School rules.
8. The North Georgia Youth Football League disfavors weight loss by a child in order to make weight eligibility. Any weight loss by a child should be under a physician’s supervision only.
9. After the official weigh-ins and after game jerseys are given out, each team must create a roster by name and number by downloading the official NGYFL roster via the www.ngyfl.net website and email it to either Adam.Wilson@Catoosa.com. Numerical rosters must be turned in before Saturday, September 5th (Jamboree). After numerical rosters have been turned in, a player cannot change jersey numbers unless authorized by the North Georgia Youth Football League. Rosters will be available to all coaches by the first League game on **SATURDAY, SEPTEMBER 12th, 2015**.
10. On Game Day, if a jersey has been lost, forgotten, or damaged and it is not present at the field, the Head Coach must communicate this situation with the opposing coach before the game starts. If this procedure is not followed, the team in violation will risk forfeiting the game.

SHORT-HANDED RULES AND GUIDELINES:

1. If a team shows up on game day with less than 11 players (short-handed), the following guidelines will be implemented:
 - A. Teams may play with 9 or 10 players, but the game will be ruled a forfeit with 8 or less.
 - B. The opposing team will need to drop down and play the same amount of players as the short-handed team. Example: Short-handed team has 10; Opposing team plays with 10.
 - C. Short-Handed team must notify the opposing team and the officials immediately.
 - D. The short-handed rule is only for emergency situations and should never be used as a strategy to win a game.

1. This Division is governed by Georgia High School Rules & Regulations other than what is specified hereafter. This League will play eight (8) minute regular quarters & teams must exchange lineup cards before each game.
2. The recommended roster limit is 22. All players must have a starting position on either offense or defense & all starters must play the entire 1st & 2nd qtrs. Exception: Teams with 23–29 players shall list 22 players with a starting position & all subs must still play a minimum of 2 qtrs. Coaches who do not adhere to this “participation rule” may be suspended & forfeit the game. A player must play on 1 team only & cannot be on 2 rosters.
3. The offense and defense can have one (1) coach on the field of play to instruct players. However, once the offensive team breaks their huddle, both coaches must retreat to a spot 10 yards behind the deepest offensive player and deepest defensive player. Coaches can continue to instruct players verbally after they have retreated 10 yards. The penalty for not adhering to this rule is 15 yards. Coaches in the 9-Under Division are allowed to be on the field throughout the entire season including playoffs.
4. This Division WILL PHYSICALLY KICK-OFF from the 40-yard line, but WILL NOT PHYSICALLY PUNT. If choosing to punt on 4th down, the Officials will mark off 25 yards. The Game Clock will run as the officials are marking off the punt and will stop once the ball has been spotted. If a team decides to punt from the 35-yard line or inside the 35-yard line, the ball will automatically be put in play at the 10-yard line for the receiving team. No team shall start an offensive series inside the 10-yard line from the result of a punt. Coaches are allowed on the field to help line up players on ALL kickoffs. Once the players are in place, the coaches MOVE OFF the field of play and the official will sound the ‘ready for play’ whistle.
5. The time allowed for snapping the ball after it has been declared ready for play is 30 seconds.
6. Each team will have two (2) timeouts in the 1st half, and three (3) timeouts in the 2nd half. Timeouts cannot be carried over from the 1st half to the 2nd half. **Halftime shall be a minimum of 5 minutes long.**
7. **SAFETY RULE:** If a safety is recorded, the defensive team will be awarded the 2 points and will then receive the ball on the 50-yard line to start their offensive series. If a penalty resulting in a safety occurs on the last timed down of a period, the period is not extended.
8. **Points after TD:** Successful Run conversions = 1 point; Successful conversions by a legal forward pass = 2 points. Any points after TD ‘kicked’ are worth 1 point.
9. **MERCY RULE:** the 1st & 2nd quarters will run as ‘Regular Quarters’. If at the start of the 3rd quarter a team is behind by 30 + points, the team losing will have the option to finish the game with a running clock. If at the start of the 4th quarter or at any point during the 4th quarter a team has a 20-point or more lead, the clock will run continuously except for an officials’ timeout. Timeouts WILL NOT be granted to teams with a 20-point or more lead in the 4th quarter until the lead decreases to 19 points or less. If a team who is behind by 20 points or more in the 4th quarter scores to make the deficit 19 points or less, the clock will go back to the ‘Regular Quarter’ format.
10. **TIE GAMES:** The Overtime rules below will be used to break tie games for League games:

 - *Each team will have one (1) timeout per overtime frame
 - *Teams are entitled to a First Down if the necessary 10 yards have been gained
 - * Penalties that result in an automatic 1st down are in effect
 - *The maximum number of overtimes for league games is two (2)
11. If a player or coach is ejected from a League or Playoff game, he/she must sit out the remainder of that game plus their next scheduled game that is played out. (This includes any Playoff games).
12. **HORSE-COLLAR TACKLE** – It is illegal to grasp the inside back or side opening of the collar of the jersey or shoulder pads of the runner and subsequently pull the runner to the ground. Please emphasize this rule and teach your players the correct way to tackle.

SPECIAL RULES GOVERNING LEAGUE DISCIPLINARY ACTION AND BY-LAWS

Presidents and Football Commissioners of each Association are requested to discuss these rules with their coaches, parents, players, and fans. We expect fair play and good sportsmanship from everyone involved in this League. These rules were discussed and voted on by officers of each Association at the organizational meeting on October 28, 1989.

1. If any team uses an INELIGIBLE or ILLEGAL player in a League game and the situation is proven, that player will be immediately dismissed from the team and the Head Coach will be suspended indefinitely. If any team uses and INELIGIBLE or ILLEGAL player in a Playoff game and the situation is proven, that team will forfeit that game and be eliminated from the Playoffs.
2. If a Coach creates a problem that is detrimental to this Football League, the situation will be handled by a Grievance Committee in a called "Special Meeting". The President and Football Commissioner of the Association in question will be invited to this meeting. The Coach in question could be suspended from the League for one (1) year from the date of the incident and his Association placed on probation for the remainder of the season. If the situation is serious enough, the Coach in question could be banned from the League forever.
3. If Parents, Fans, or Spectators of a team creates the same type of situation listed in Rule 2 above, the President or Football Commissioner of the Association governing that team **MUST** take **IMMEDIATE ACTION** to have the guilty persons banned from attending any further games! Each Association is **FULLY RESPONSIBLE** for the conduct of their players, parents & fans at all times. Failure to follow through and take care of these matters can result in the Association being expelled from the League.
4. **PROTESTS:** Are not allowed on any type of judgment calls made by the Officials/Referees. The only thing that can possibly be protested is player eligibility and rule interpretations and if there is reason enough to follow through with a protest then the following steps **MUST** be followed:
 - A. Coaches must inform the Officials/Referees that they are playing the game under protest. The pending protest must be discussed and approved by the Football Commissioner of the filing team. If it is carried further, it must be turned in to the Recreation Dept. in writing and signed by both the President & Football Commissioner of that Association.
 - B. A \$50.00 fee is required on all protests. This money must accompany the protest. All protests must be approved and turned in to the Catoosa County Recreation Dept within 48 hours after the incident occurs.
 - C. Coaches are asked to contact their Football Commissioner if they have a complaint, gripe or problem concerning the Officials/Referees, other teams, etc. If the Football Commissioner feels the complaint is justified, they should call the Catoosa County Recreation Department in order to notify us of the situation at hand and it will be handled from that point.
5. Each Home Field or hosting Association is required to have available people on hand at all games to make sure everything runs smoothly. "Gameday" workers are the responsibility of the host Association. In the event some problem arises, the HOME Association must handle any serious or threatening situations.
