# Team Registration & Player Registration Codes

Please follow the directions below to register your team for a League or Tournament and find your "Player Registration Code"

- Visit our website: www.totalsports-experience.com

- In the top right corner, click "Register Now". This will take you to our Customer Interface Site (CI Site)

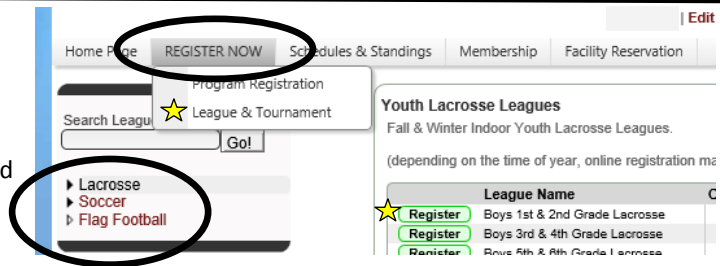

- On the CI Site, in the top right corner, either select "Create TSE Account" or "Login" (if you already have an account as of September 2016).

- If creating an account, fill out the required information (*). Primary Contact (Parent) should be entered first. Family Members can be added at the bottom of the page. *NOTE: If you forget to add family members, use the "Edit Account" link. If you get a message "the email you requested is already in use", attempt to login with that email address and use the "Forgot Password" option, as an account may have already been created for you by TSE Staff at registration or for a different activity. A re-set password option will be emailed to you.*

Once your account has been created or you've logged-in:

Click "REGISTER NOW" in the heading bar & select "League & Tournament. Use the side menu to select the sport you are registering for. Find the specific league/tournament and age division and select the "Register" button.

"Register a Team" and follow the on screen directions to create your team. "Add to Cart" and "Checkout".
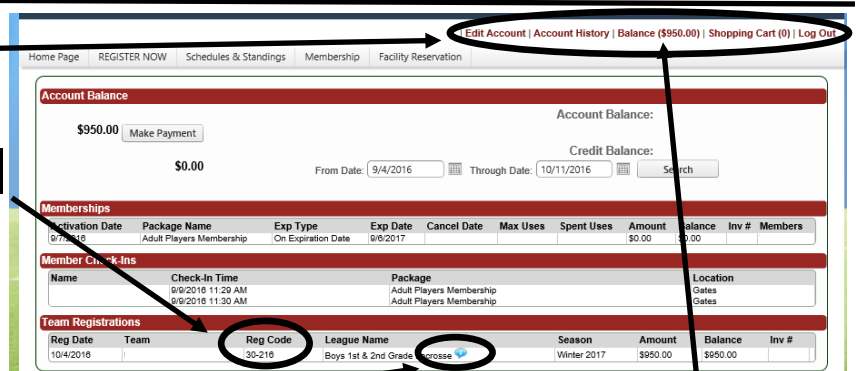

PLAYER REGISTRATION CODE: You will receive a registration confirmation email with your team's "Registration Code". Share this code with your teammates/players or player's parents to allow them to register online, sign a waiver, roster themselves (or child) for your team, and make payments (available upon request for youth teams).

Account Features
