## 2017 Tournament Rules

- Playing rules for the tournament will follow this document and Nations Baseball Tournament Rules. For any conflicting rules, the priority is:

1. This Document
2. Nations Baseball Tournament Rules

- A Tournament Director or Site Coordinator is permitted to manage or coach a team in this tournament.
- A regulation game will last 6 innings ( 9 U thru 12 U ) or 7 innings (13u thru 18U.) During pool and bracket play games, no new inning will begin after 1 hour, 45 minutes ( 9 U thru 16 U ) after the official game start time. The start time should be written on the game card at the start of the game. Umpires for each specific game will make this determination. A pool play game can end in a tie as a result of the time limit. Extra innings are allowed as long as time allows. See Bracket Tie Breaker.
- Bracket Tie Breaker - If the game is tied at the end of 6 innings ( 9 U thru 12 U ) or 7 innings ( 13 U thru $18 \mathrm{U})$, the teams will play one additional inning. If the teams are still tied at the end of the extra inning, then play will continue using the Ohio Sudden Death Method. The last 2 batters will be placed in order at 1 st and 2 nd bases ( 2 nd to last batter at 2 nd and last batter at 1 st ) and the offense will begin batting with no outs. No pinch runners will be allowed for the last 2 batters that are being positioned during the process. We will not use the Ohio Sudden Death Method in the Semi-finals or Finals. Extra innings will be played in those games until there is a winner.
- A flip of a coin between the umpire(s) and a manager (or coach) from each team will determine home team for all pool play games. The higher seeded team will be the home team during bracket play.
- The home team is responsible for official scorebook. Home scorekeeper will confirm scores in his book with home plate umpire after each $1 / 2$ inning.
- After each game, the manager or coach from both teams MUST meet with the home plate umpire to review and sign the game summary card. This card will represent the game's official scoring and pitching records. A managers or coaches, failure to sign the game summary card prior to umpires leaving the field will result in his/her team relinquishing its ability to challenge that game's official scoring or pitching records and could result in forfeiture of that game.

If all players are currently in the lineup, then the last recorded out will be the courtesy runner. The next courtesy runner will be the next to last recorded out. The pitcher and catcher can be subbed for once in an inning. Note: With 2 outs, a courtesy runner is required for the catcher unless the catcher has been subbed for previously in the current inning.
