12. Teams MUST be dressed alike. Associations will make sure their teams have matching shirts/jerseys with legal numbers. Reversible jerseys are RECOMMENDED. Legal numbers are: 0, 00, 1, 2, 3, 4, 5, 10-15, 20-25, 30-35, 40-45, & 50-55. Coaches must make sure that players' shirts/jerseys are tucked in. THIS IS A RULE!!

13. Referees/officials will be assigned to ALL League and Playoff games. Each gym or hosting association will be responsible for paying the officials. Officials are to be paid according to the following Rate Schedule:

4-5 Coed Instructional Division	- \$20.00 - One (1) Official
6U-14U Recreation Division	- \$25.00 per Official - Two (2) Officials

*****The Officials that are assigned to each game are in control and have jurisdiction over all persons (players, coaches, fans) in the gym. Their authority still exists even after the game is complete and they may eject a person if necessary during their jurisdiction. Officials' jurisdiction ends after they have left the premises and stays in effect while they are on the premises.***

14. Each Association or team must register their team via the tourney machine link and submit their Team Rosters by the deadline of MONDAY, DECEMBER 4th, 2017. Teams WILL NOT be accepted after this date. Rosters must be filled out completely by January 1st.

******Player(s) may be added to a team's roster by the Association's Basketball Commissioner only! The deadline for adding any players will be January 1st, 2018. Rec. associations must accept all sign-ups through November 30th, 2017.***

15. Team Selection Process (Drafts):

- When two (2) or more teams in an age group exist, this team selection process must be followed.
- Players will be evaluated and rated by the league's basketball commissioners or their designated representative and CCPR staff on a scale of 1 to 3 (3 being the highest rating and 1 being the lowest) based on previous season(s) player performance(s). **Any new player or unknown player will be assessed an evaluation score of 2.**
- The total sum of all the player rating numbers for each age group at each rec agency will be tabulated. The grand total will then be divided by the number of teams expected for that rec agency in that age group. This will establish a *per-team drafting score or tally* that will be used throughout the draft in order to achieve an equal score per team by the end of drafting.
- All teams participating in the draft must have the same amount of evaluated "3" players (plus or minus one). **Example:** Five 3s exist in the draft: Team 1 gets two 3s, Team 2 gets two 3s, Team 3 gets one 3.
- Each rec agency should select one Head Coach for each team expected in each age group. Head Coach's children will ultimately be assigned to mom or dad's team after receiving an evaluation score. Siblings will also ultimately be assigned to the same team as well; however, it is the coach's discretion when he / she chooses to select the child(ren) for his / her team.
- NO team/head coach may select an assistant coach before the draft and subsequently "freeze" the assistant's child(ren) for their team only. Each team will have one Head Coach established and if the Head Coach desires an assistant they may choose one after the draft is concluded.
- ALL players who sign up after the team selection drafts are completed will be assigned to teams through the Catoosa County Parks and Recreation. CCPR staff will consult with each rec agency's basketball commissioner and seek their input, but the player assignment decision rests with CCPR.

CATOOSA COUNTY YOUTH BASKETBALL LEAGUE

- **Drafting order:** Each Head Coach will randomly draw a number. This will be considered ROUND 1. THE TOTAL PER-TEAM DRAFTING SCORE MUST BE EQUAL AFTER ROUND 1 IS COMPLETE. The Draft continues down to last number drawn coach. The Second Round begins with last number drawn coach and continues in numerical order back up to coach drawing #1. This process gets repeated for all subsequent rounds/selection order until all rated players have been selected.

The “*per-team drafting score or tally*” will be the guide used during the draft to keep the teams as equal as possible. In addition, the “*per-team drafting score or tally*” will be used after every OTHER round to keep teams equitable throughout the drafting process. The “*per-team drafting score or tally*” CANNOT get out of balance until the final round of the draft.

16. Each Association is required to draft all players according to the “Team Selection Process” provided by Catoosa County Parks and Recreation. Once a player has signed up at East Ridge, Boynton, LFORA or RYSA, their name will be included on that association’s draft sheets. When an Association conducts their draft for each age group, all players included in the draft will be put on a League Roster for that Association. Once this occurs, players (parents in reality) cannot sign up at another Association in the Catoosa County Youth Basketball League. Players can only sign up at one rec. association and can only play for one team each season. **No player shall be included on two or more CCPR rosters during the same basketball season.**
17. a) We anticipate opening the 2017-2018 Basketball season for all age groups on Saturday, January 6th, 2018.

b) The Championship Basketball Playoffs will begin around the middle of February and will continue until a Champion is determined for each age group.
18. **Scorekeepers and Clock Operators:** Each team is responsible for providing a designated representative to assist as a “table worker” during each game. The team listed in the schedule as “Home” will keep the official scorebook. The visiting team listed in the schedule as “Away” will be responsible for providing a clock operator. The scorekeeper & clock operator must be 16 yrs of age or older. The scorekeeper and clock operator must sign in at the admission gate and will be admitted into the game at no charge. No game can start without a scorekeeper and clock operator.
19. **Forfeit Policy:** Any team that forfeits a regular season or playoff game or does not inform Catoosa Recreation 24 hours prior to game time will be subject to pay a \$50 per game forfeit fee (since referees must be paid) before the next scheduled game can be played. A team can be removed from the schedule after the 2nd forfeit. **No Exceptions!**
