Background Screening Policy (Page 1 of 2)

PURPOSE

It is the intent of this policy to establish certain guidelines wherein the East Ridge Parks & Recreation (hereinafter referred to as “SCYBL”) and its affiliated athletic boards can seek to protect our program participants by investigating the background of employees, coaches and volunteers (hereinafter referred to as “candidates”) who will be involved in SCYBL approved programs.

GENERAL

A. Criminal background screenings are conducted by an outside third party who specializes in such work.

B. Any person who has been found guilty, pled guilty; or pled no contest, regardless of adjudication, or has a pending charge pertaining to, any of the disqualifying offenses listed in this policy will be immediately disqualified from employment, coaching and/or volunteer positions with SCYBL or an associated athletic board. SCYBL also reserves the right to disqualify a person for any crime that would be considered a potential risk to children and/or vulnerable populations. A candidate who willfully fails to comply with this background screening policy shall be automatically disqualified.

C. This policy will apply to all SCYBL coaches and volunteers. Both head and assistant, coaches participating in sanctioned SCYBL athletic leagues. If there is any doubt as to who should be screened, the general rule is anyone who would potentially have unsupervised access to children in a SCYBL approved program. Each coach/volunteer will be screened every 12 months for as long as he or she continues participating in SCYBL programming.

The criminal background screening is mandatory, there are no exceptions.

SCREENING PROCESS

All candidates must sign a Release for Criminal History which gives SCYBL the right to check criminal history records and verify social security numbers. This release and screening is executed directly, through <https://opportunities.averity.com/ScenicCityBball>

The cost associated with these background screenings will be paid for by the Associations/Coaches.

No other personal information (e.g. work history, financial, credit, etc.) is checked or researched. The company executing background checks has agreed to such terms contractually, and confirms such direction annually.

The third party contractor conducting the checks will cross-reference the screening results with the disqualifying crimes listed in this policy. A pass/fail grade will then be relayed to SCYBL based on the cross-reference. A pass grade for any candidate that has zero disqualifying crime matches, a fail grade for any candidate that has one or more disqualifying crime matches. All information pertaining to the background check will remain with the third party contractor, subject to the applicable laws requiring disclosure. SCYBL will not be informed of the results of any background check; rather, the SCYBL will only be issued a pass/fail grade for each candidate.

If the third party contractor reports any “FAIL” to SCYBL, SCYBL shall notify the candidate that he or she is disqualified for their desired position. SCYBL will also notify the appropriate Athletic Director if their candidate is disqualified. Upon request, the candidate will receive a copy of the background check from the third party contractor.

CONFIDENTIALITY

To help ensure confidentiality, Athletic Director, and SCYBL should not be notified of a Coach’s criminal history. The criminal background reports shall be kept in a secure location by the third party contractor for a period as required by applicable law.

There shall be no appeal of a decision to disqualify a candidate, if the candidate's relevant criminal history is accurate; all decisions are final.

If a candidate wishes to dispute the content of the profile report, the candidate shall contact the third party responsible for conducting the background check by calling the telephone number listed on the report. The candidate is responsible for providing any or all documentation to support his or her claim.

These guidelines were produced as a result of this review.
