# TOURNAMENT PLAYING RULES

## ROSTERS

Rosters may not exceed 15 players without explicit approval of the tournament director. Final rosters must be submitted at check-in and may not be altered thereafter.

## PLAYER MINIMUM

Teams may play an official game with an eight (8) player line-up. If a team plays with an eight (8) player line-up, an out will be declared for the ninth (9th) position in the batting line-up each turn at bat. A ninth (9th) player and all subsequent players may be added to the bottom of the batting line-up as soon as they become available. A team may continue a game with a minimum of eight (8) eligible players but cannot continue play with less than eight (8) players. In the case where a team loses players during a game (non-injury), outs will be recorded every at bat in the vacated spots in the batting order.

## UNIFORMS

Numbers are required on the backs of all uniforms. Players must use the same uniform number throughout the tournament to help maintain accurate pitching records.

## BAT RULES

**9U – 13U:** All players must use wood or wood composite baseball bats only. No metal bats allowed. Part wood and part metal bats are not allowed.

**14U High School:** If wood bat is not a single piece wood bat (Bamboo for example) then the bat must be BBCOR (".50") certified.

**8U & Younger:** All -5 baseball bats or greater must be stamped BPF 1.15. No restriction on weight or length as long as the bat has "BPF 1.15" stamp.

**\*2 ¾ inch bats are prohibited in ALL age divisions.**

***Penalties for illegal bats will be assessed as per the NFHS rule book.***

- First violation of this rule – batter is declared out (if discovered before a pitch is thrown to the next batter)
- Second violation of this rule – batter is declared out (if discovered before a pitch is thrown to the next batter) AND team manager is ejected.

## GAME TIME

Tournament staff will make best effort to start all games at the published starting times. In an effort to keep fields on time ***teams must be prepared to play up to 15 minutes before their published game time.*** The umpire will convene a meeting of team managers 5 minutes prior to the game. Prior to the game's first pitch, the umpire shall announce the game starting time. If either team is not ready to play at game starting time, the game shall be declared a forfeit. A forfeited game shall be recorded as a 7 to 0 score.

## HOME AND AWAY

The Home team will be determined by a coin toss for all pool play games. The coin toss should occur approximately ½ hour prior to game time and may be done by the coaches themselves, with or without the Tournament Director or Umpire. ***For Pool Play only,*** team listed first on the schedule will occupy 3<sup>rd</sup> base dugout and the team listed second will

occupy the 1<sup>st</sup> base dugout. During elimination game playoffs and championship games, the higher seed will automatically be deemed the home team and will occupy the 3rd base dugout. If a team plays back-to-back games on the same field, they may stay in the same dugout in the 2nd game if both coaches agree.

## INFIELD PRACTICE

There will be no taking of infield practice before the games so that we can keep the games moving given time constraints between games. Any warm-up hitting using hard baseballs needs to be done either in a hitting net or inside the batting cages; no exceptions.

## SCOREKEEPING AND SCORECARDS

Official scorebook will be provided by the tournament. Home team will provide the official scorekeeper. Prior to each game, both teams must record their starting lineups and any substitutes. The official scorecard for the game shall be held by the umpire, and shall be used to record substitutions, the official game score, and innings pitched for each pitcher. At the conclusion of each game, the scorecard must be signed off by both team managers and returned to the tournament table as the official record of the game. ***Please verify that the scorecards are accurate when you sign them.***

## TOURNAMENT PLAY

The tournament format in each Division will consist of pool play followed by single elimination games, culminating in a championship game in each Division. Schedule details will be distributed separately. All teams will play at least three (3) games.

## SEEDING FOR ELIMINATION GAMES

Seeding rules for each age group bracket will be as follows in this order...

Win/Loss Record, Head to Head (2 teams only and if applicable), Modified Run Differential\*, Runs Allowed, Runs Scored, Actual Run Differential (no maximum), Coin Flip.

**\*Maximum Run Differential per game is +/- 7.**

## SUBSTITUTIONS/BATTING LINEUP

In the 9U thru 14U divisions there are three batting order options available:

- 1) All players on the roster may bat in order, or
- 2) The 9 starters only may bat (with substitutions), or
- 3) The 9 starters plus an extra hitter (EH) may bat (with substitutions).

You may change batting lineups from game to game only. In the case of the entire roster batting (option 1) only...

- If an injury, which occurs in this game, causes a player to come out of the game, that batter WILL be called out when his slot comes up ***the first time*** and the line-up is then compressed.
- If a player is not present at the start of the game but will be playing once he/she arrives, the player must be listed somewhere on the line-up card and clarified at the home plate meeting that the player is arriving late and will be added to the bottom of the batting order once he/she arrives. No penalty.
- If a player leaves the game not due to injury in the game, an out is recorded every time that player's spot in the batting order comes up.

The rules regarding substitutions of defensive positions depend on the batting order option (see above).

- 1) If Batting Order Option #1 (all players on the roster batting) is selected, then there are no restrictions on the use of defensive substitutions, except for the pitcher (see below).
- 2) If Batting Order Option #2 or #3 is selected
  - a. Starting players who are removed from the game for a substitute may re-enter the game one time.
  - b. Starting players may only re-enter the game in their original position in the batting order.
  - c. Substitutes, once removed, may not re-enter the game.

Players may pitch in each game only once, i.e., if you started as pitcher and are pulled you may not re-enter the same game as a pitcher later in the game.

Courtesy runners will be allowed for the catcher of record the previous inning on defense at any time. The courtesy runner must be the batter who recorded the last out (last batted out) at the time when the courtesy runner is inserted.

## MERCY RULE

Mercy rule will be in effect in all divisions for pool play and bracket play as follows:

15 runs after the completion of the 3<sup>rd</sup> inning, 10 runs after completion of the 4<sup>th</sup> inning; 8 runs after completion of the 5<sup>th</sup> inning

In pool play, no new inning may start after the time limit has elapsed since the game's Starting Time. The time limit is defined in the "Game Time Limit Chart" below. There will be no extra inning tie breakers during pool play regardless of time remaining. Therefore in pool play it is possible to have a tie game.

### ELIMINATION GAMES

In elimination (playoff) games, any innings started after this much time have elapsed will be played using the tournament tie-breaker rule (see below).

### CHAMPIONSHIP GAMES

In the championship games, time limits shall not apply and all games shall be played to completion.

## GAME TIE BREAKERS

A tournament tie-breaker rule (aka *California Tie-Breaker*) will be invoked in elimination (playoff) games that remain tied when any inning starts after the Time Limit is reached. In this case, for each inning played once the time limit is reached; the batting team shall start the inning by placing the last batted out of the previous inning on 2nd base to start the inning with no outs. This shall be repeated in each half inning until the game is completed.

## GENERAL

It is the base runner's responsibility to avoid contact with the fielder. Slide or avoid rule is in effect at all times. Intentionally running into a fielder, who is in the act of receiving the ball or has possession of the ball is grounds for ejection. If an ejection occurs, it is only for the game the ejection occurred in. Also, when a player ejection occurs, an automatic out will be received when the ejected player's position in the line-up comes up to bat. If in the umpire's opinion, there is GROSS intention to injure a fielder, the umpire MAY permanently eject that player from all remaining games.

Catchers must wear full coverage hockey style face masks.

To intentionally walk a batter, the coach may inform the umpire and point to first base. No pitches need to be thrown.

No pitcher may wear a long sleeve white or gray colored shirt, use a white or gray colored glove, or use or wear any article of clothing or equipment as a means of concealing the baseball during his/her delivery.

Music is limited to pre-game warm ups only and must be turned off during the game including in between innings. Please be courteous of neighboring fields and song selection. Any music deemed a distraction to the opposing team or neighboring fields will be asked for the volume to be turned down.

No metal cleats in divisions 11U and below. Metal cleats are not allowed to be worn on any portable mounds. No exceptions. ***If detected the pitcher in question will be removed from the mound as a pitcher. He/she may remain in the game at another position but cannot pitch again in that game.***

SMYB reserves the right to combine age brackets. (Example: 9U with 10U) This decision will be based on the number of teams that enter into each bracket.

The Tournament Director reserves the right to amend any rule, schedule, diamond location, format, combine age brackets, to accommodate time constraints, weather situations, etc.

In the case of adverse weather conditions, the Tournament Director will reserve the right to modify the event format, including changing game schedules, reducing time limits or reducing the number of innings/game, as required to complete the event. The Tournament Director shall have final decision authority on all tournament questions and disputes.

## **PROTESTS**

Protests will be ruled on immediately by tournament director and/or UIC. All decisions are final and once the next pitch is thrown, team loses right to protest. Only the team manager of record may protest. If a coach initiates the protest, protest fee is forfeited and play continues as if there were no protest. Judgment calls by umpires may not be protested. Upon initiating a protest, the team manager shall remit \$100.00 cash protest fee. If the protest is upheld, the \$100.00 shall be immediately refunded. If the protest is denied, the deposit shall be forfeited. All protests must be initiated thru the home plate umpire before being brought to the tournament director and/or UIC.

## **SPORTSMANSHIP AND BEHAVIOR**

Remember, it's just a game and the players, despite their advancing skills, are still only children. Tournament play is by nature very exciting. Disputes may arise. Tempers may flare. The examples set by managers and coaches will be reflected by the players and parents. You are setting an example for young people so make it a good example. Violent or offensive displays of temper by managers, coaches, players or spectators will not be tolerated and are punishable by immediate ejection. Managers are RESPONSIBLE for their teams' spectators so please keep them under control.

If an unruly fan is ejected and does not leave the area IMMEDIATELY, the MANAGER will be ejected from the game. If the problem escalates, the TEAM will FORFEIT the game. There will be NO DISPUTING of balls or strikes, safe or out, or other types of judgment calls which are made by the umpires.

Any profanity, verbal abuse, physical abuse by any player, coach or parent directed towards umpires, opposing teams,

park officials or SMYB Tournaments officials will result in immediate team removal from the tournament as determined by the tournament director or the assistant directors.

Upon the first violation, the violating party shall be removed from the facility and the tournament and may also result in the offending team forfeiting their game as determined by the Tournament Director.**
