## **2018 Genesis Classic Photography**

I am very excited to be the official photography provider for the 2018 Genesis Classic - Calgary's largest and best basketball tournament next weekend! If your team is looking to guarantee photo coverage of any of your round robin games (or finals), pre-book your photography in advance. My team and myself are happy to offer a pre-tournament sale to any full team looking to book action photography before the start of the weekend.

For \$175 per game (about \$17.50 per player), your team will receive about 50-75 digital action photos from your chosen game from the weekend. Each player will get at least 3 action photos.

This offer is available until **Thursday, May 17 (until 12 p.m.)** and must be paid for via etransfer before or on this date to book coverage.

If you choose not to take advantage of this offer, that is ok, game photos MAY\* still be available for your team during or after the weekend through the proofing site provided at the door of the each venue. Individual\*\* digital game action photos will sell for \$20+GST per image.

\* due to the size of the tournament and multiple locations, not all teams will receive photo coverage, but will do our best to cover majority of the teams.

\*\*this does not include team photos, those will be made available at NO COST to all teams who have theirs taken at SAIT during the weekend (these will be available no later than Tuesday, May 22).
