

HUB Sports Center is excited to announce a partnership with PlaySight to provide Live Streaming (LS) as well as Video On Demand (VOD) for the Middle School Basketball State Championship. All games played at the HUB Sports Center are scheduled for both LS and VOD during the tournament.

For \$2.99 you receive a Day Pass for Live Streaming which allows parents and friends to login and watch games from their home or work. The Video on Demand and the editable game film will be available within 24 hours. The editing software is included in the PlaySight App and Webpage for a fee of \$4.99 per game.

PlaySight can be accessed via their website (www.playsight.com) and their App (available in both Android and iPhone).

You can get more details and links to both options at: www.hubsportscenter.org/playsight.

HUB Sports Center is a 501c3 nonprofit with a purpose to provide events that have a positive impact on youth and the community.
