GENERAL RULES:

RIYBA Membership

- Basketball organizations wishing to join RIYBA must have representation of at least 3 teams. They must agree to abide by the rules established by RIYBA for RIYBA tournaments. They will be subject to dues and fees imposed as agreed by the membership.
- Each organization has the opportunity to host a tournament.
- Each organization is allowed one vote in membership matters.
- While out of state teams can play in RIYBA tournaments, only RI organizations can become members of RIYBA. (9/14)

Tournaments:

- Tournaments are organized and managed solely by individual member organizations within RIYBA.
- Member organizations collectively agree to abide by RIYBA rules and guidelines in administering these tournaments and submit themselves to RIYBA's general oversight of these rules and guidelines.
- As RIYBA does not participate in these tournaments in any way, RIYBA is not responsible for any inappropriateness, mismanagement, negligence, injury, or any other wrong-doing that may occur in any individual tournament, and as such, is not liable for penalty or remedy in such matters.
- Tournament Cancellations/Postponements: Ultimately, tournament directors and their boards are responsible to make the decisions on tournament cancellations and postponements due to inclement weather. RIYBA is not a part of the decision process – just the conduit for communication of these decisions to the member organizations within RIYBA. (3/18)
 - If part of a tournament is cancelled, those scheduled games will be decided by a coin-flip by RIYBA's master scheduler.
 - If a full tournament is cancelled, the tournament will not be rescheduled. The host organization must first have a discussion with the RIYBA rules committee before issuing mass communication for tournament cancellation.
 - There will be no refunds for individual games or partial tournaments cancelled for inclement weather. If the entire tournament is cancelled, there will be a 50% refund on all "net" registration fees paid to host organization. This will be administered by the host organization. (10/18)

RIYBA State Championship:

- Eligibility: Only teams from RIYBA organizations are eligible for the RIYBA state championship tournament.
- Teams must play in a minimum of four (4) RIYBA tournaments to be eligible for the RIYBA state championship tournament. (9/14)
- Two (2) Divisions: The RIYBA State Championship Tournament will consist of two divisions – A and B - which will be hosted by separate organizations on the same weekend. (A) / (B) divisions will be determined by standings at the defined cut-off date. (3/15)

Coaches:

- Coaches are mentors and role models for the players they coach. They are also ambassadors of the organizations that they represent. RIYBA expects coaches to comport themselves with these truths in mind. Sportsmanship, integrity, and appropriate manner toward opponents and referees are required.
- Coaches must have badges to be allowed on sideline and get gate fee waived. (3/18) (THIS RULE IS NOT IN EFFECT FOR THE 2018-19 SEASON)
- In cases of inappropriateness by a coach, RIYBA reserves the right to discipline the coach up to and including dismissal from coaching teams in RIYBA tournaments.
- If a coach is ejected from the game for any reason, that coach shall not be allowed to return to any remaining games in that tournament. Additionally, that coach's organization will pay \$100 fine to RIYBA. Incidents must be reported to RIYBA by the host organizations.
- Only two (2) coaches, including the head coach are allowed on the team bench during games. (Parents, Scorekeepers, etc... may not sit on the bench). Two coaches only. (3/16)
- Only one (1) coach may be designated to stand and address referees during games.

Tournament Scorekeepers and Clock Operators:

- Each organization must provide two (2) individuals – one to operate the clock and one to keep the official scorebook for each game. One person shall not perform both duties. No restrictions on using youth, however, RIYBA encourages all organizations to use qualified workers for these roles. (3/16) Additionally, host tournaments should restrict the number of people allowed at the table to the two assigned workers so as to avoid distraction. Scorekeepers and clock operators should refrain from using cell phones during the games that they are working. (3/18)
- Team scorekeepers should sit in close proximity to the official scorer's table wherever possible. Challenges or reviews should not be yelled across the gyms or address official scorekeepers directly. Rather, team scorekeepers should communicate issues to the head coach, who in turn can ask the referee to consult on the matter. (3/18)

Referees:

- Referees are hired by individual organizations for their tournaments, and may or may not be RI Board Certified Referees.
- Referees represent the highest authority in officiating games and are to be respected by players, coaches, and fans.
- Referees enforce the rules set forth by RIYBA, and have the authority to remove players, coaches, and/or fans from the game or premises in order to keep the game safe and respectful for all participants.
- Only RI Board Certified Referees are allowed to be assigned to the RIYBA State Championship Tournaments. (3/15)
- No RIYBA organization director or coach may referee a team from his/her program at a tournament which their organization is hosting. (9/14)
