GAME SUMMARY SHEET & SCORE REPORTING RULES

Immediately following the conclusion of each preliminary round game on Saturday (or Sunday, if games get pushed back), **BOTH winning and losing teams** are responsible for submitting a Game Summary Sheet to the tournament site official at the location of the game. We want to be certain that we record an accurate score because runs allowed and scored matter for seeding purposes. For elimination round games, only the winning team turns in the sheet.

Note: For preliminary round games, failure on the part of the winning team to communicate the game result within one hour of the completion of a game will result in the game being declared a tie and the runs allowed by the team that actually won the game on the field will be increased to the same number of runs allowed by the losing team. If a losing team fails to deliver a form, the results turned in by the winning team will be considered official.

1. **At the conclusion of each game, complete and deliver this form to the tournament site official at the location of the game.**
