- b) (10U Only) Leading is not permitted. Stealing is permitted after the pitch crosses home plate. If a base runner leaves a base early, the play will continue until the umpire calls time. The defensive team will have the option to accept the outcome of the play or to replay the pitch (i.e. deem the pitch a no-pitch). First offense is a team warning, and for any subsequent offense(s), the base runner is out; all other base runners must return to the base previously occupied; and a batter/runner must return to batter's box.
- c) (12U-14U) Leading and stealing are permitted any time the ball is in play.
- d) A courtesy runner may be used for the pitcher and catcher of record at any time during an inning. A courtesy runner is strongly encouraged, but not required to be used for the catcher when there are two outs. Courtesy runners are the player(s) who made the last batted out.
- e) There is no must slide rule. However, a runner MUST attempt to avoid contact when a play is being made at a base or home plate. A runner will be called out if a collision occurs with a defensive player on a close play when a runner does not slide, or if in the opinion of the umpire, such action is an attempt to deliberately interfere with a play being made.

- b) Once a player misses an entire at bat due to an injury, that player is not eligible to return to the game in any capacity.
- c) If an injury occurs during an at-bat and the player cannot continue the at-bat, the next batter will take over that at-bat and assume the count. If an injury occurs while on the base paths, the player that made the last recorded out will take the place of the injured player on the bases.
