

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

Please find on the website; links for the schedules, rules, coach behavior, fan behavior, diversity policy, YMCA Volunteer Code of Conduct, and concussion information.

I made every attempt to accommodate specific requests. Please make every attempt to play at your scheduled times. A player is not allowed to play on two teams in the same grade level.

Please check your schedules carefully. If you are confused where/what court you are playing on, contact the YMCA Youth Sports office at 402-434-9217 or email at [jhaag@ymcalincoln.org](mailto:jhaag@ymcalincoln.org).

All matches will be played at Southwest High School (7001 S. 14th St.), or at North Star High School (5801 N. 33rd St). If you ordered t-shirts they will be ready to pick up at the Youth Sports office on Wednesday April 3. Our office hours are Monday-Friday 8:00am-5:00pm. The shirts will not be available for pick-up after 12:00pm on Friday April 5. If the shirts have not been picked up by 12:00pm, they will be at your first game site. The Youth Sports office is located at 570 Fallbrook Blvd. Suite 210.

Four volunteers are needed to run the score table (2) and to be line judges (2). These are very important tasks that should not be given to anyone other than a responsible adult. Please start finding volunteers on your team who can help (hopefully) for the whole season.

Standings will be posted on the YMCA Spirit Volleyball web page only. ([ymcalincoln.org /youth](http://ymcalincoln.org/youth))

Please leave the score sheet on the score table after each match.

Please be understanding of the officials' efforts. A supervisor will be on hand to help you with any major problems.

If you would still like to add players to your roster please contact me.

Please supervise your athletes during your practice times. If there are inappropriate instances we will investigate all problems and could pass along school bills and/or remove teams from schools.

The score clocks will show the 50 minutes time allowed for each game. If at the end of the 50 minutes, the 3rd and deciding game cannot be finished in the next 2 minutes, the first team to get to a 2 point lead will be the winning team.

In Closing - let's remember why we have this league.

Your players want to play volleyball with their friends, develop into a better volleyball player, win a few matches, but hopefully most importantly they want to have fun and feel good about themselves and their team. Deep down don't we all believe in the development of a better person (values/morals included) than whether or not your team is undefeated? You play an important role in the success of each player's season. This league is not designed for your win/loss record. Please help to make it a positive experience for all of your players.

The YMCA Youth Sports Staff will not hesitate to approach you during a game or call you the following week if your behavior is not appropriate.

Sincerely,

Julie Haag
