PLAYING RULES

SCORING/CLOCK MANGEMENT:

- The game will consist of 20 points scored or a 20 minute running clock except during timeouts. A coin flip will determine first possession. The alternate possession rule will be in effect after the coin toss.
 - All baskets will be 1 point unless clearly shot from behind the 19'9" line (3pt line). Baskets made from behind this line are worth 2 points.
 - If neither team has reached 20 points by the end of the 20 minute regulation, the team with the most points at the end of the time limit will be declared the winner.
 - **Overtime:** If the teams are tied at the end of regulation, a 1 minute, running clock overtime will be played to determine the winner (no cap of 20 points). If no winner is determined after one overtime period, then a second overtime will result in a sudden death first basket wins. A coin flip will be used to determine first possession at the start of each overtime.
 - Each team is allowed 1 timeout per game (30 seconds in length). The clock will stop during timeouts and can be used any time during regulation play. Teams will not have a timeout during overtime periods. Clock will stop in event of an injury.
 - The court monitor will be the official time keeper and scorer.

"TAKING BACK", "CHECKING", BALL POSSESSION, AND FOULS:

- **The ball must be taken back behind the 3 point arc on each change of possession.**
 - Change of possession includes a defensive rebound, made basket, "air ball" recovered by the defensive team, a turnover or a stolen ball by the defensive team.
 - Taking back means both feet of the ball handler must be behind the check line. Failure to do this will result in loss of possession.
 - After all out of bounds, fouls, and made baskets, the ball must be taken back to the top of the 3 point line and "checked" **"Checking" consists of bouncing the ball to the defense who then bounces the ball back to the offense.**
 - The ball must be passed in after being "checked" by the opposing team on a made basket or dead ball situation. The defensive person checking the ball must remain inside the 3 point line. If the ball is dribbled in, the ball must be rechecked then put into play, no change of possession should occur.
 - The back side of the backboard is out-of-bounds; if the ball goes over the backboard or comes in contact with any of the basket supports, it is out-of-bounds. However, the sides and bottom of the backboard are in-bounds.
 - A jump ball will be awarded by alternate possession following the coin-toss to open the game.
- **Officials will call fouls and violations.**
 - Anytime a basket is MADE and a FOUL is called, the basket counts and possession goes to the defensive team.
 - Anytime a basket is MISSED and a FOUL is called, the player who is fouled will shoot one, dead-ball free throw worth one (1) point. Possession will alternate following the free throw and the defensive team will take over.
 - Non-shooting fouls - On or after the 7th team foul - teams will enter a bonus situation and be awarded a free throw worth one (1) point. If the free throw is made, possession goes to the defense. If the free throw is missed, the offensive team retains possession.
 - If any individual player **commits 4 personal fouls**, he/she is to be considered "fouled out" of that game and must leave the court. The player will be allowed to play again once a new game for their team starts.

- **Intentional/Flagrant/Technical Fouls** will result in ejection from the game and award the opposing team two points and the ball. A second offense will result in ejection from the tournament.
- **NO DUNKING ALLOWED AT ANY TIME.** If this occurs, point and possession will be lost. Dunking during pre-game will result in a technical foul.
- Any player or fan involved in fighting or continuous misconduct during a game (including: abusive behavior and/or language; flagrant and/or excessive fouls; rough play; and abusive behavior toward the court monitors, tournament officials, event staff and all other players) will be disqualified from the tournament. All disqualified players or fans must leave the tournament site.
- **Stalling during a 3 on 3 game defies the principles of street basketball.** An unwritten 30 second clock is in effect at all times, and may be enforced by the court monitor at his/her discretion. Failure to attempt a shot in 30 seconds, after being warned by the court monitor, will result in a loss of possession.
