

COVID Safety Measures, Restrictions

The event will adhere to strict safety measures to allow basketball to be played, but also keep everyone safe as recommended by CDC and other guidelines.

- Mandatory masks by everyone, aside from players and officials participating. Coaches must wear masks during games
 - Social distancing will be reminded and enforced as needed
 - **Players, fans, coaches can only attend their respective game, then the gym has to be cleared before the next game can begin warmups**
 - All persons entering will have temperature daily before receiving a bracelet.
 - All persons will sign a waiver form (once for the event) also used for tracking. Minors and children will be signed for as well. A person only needs to sign once during the event
 - Fans/players must wait until the preceding game's participants and fans to clear the respective Okun Fieldhouse court before entering
 - Benches will be cleaned at halftime and between games. Benches will provide more spacing than usual
 - Team huddles need to be spaced during halftime and postgame. Postgame huddles need to be held briefly
 - Bleach seating will be extremely limited. Bringing own chairs is recommended
 - Free throws will be limited to 1 for 2, or 1 for 3, to limit close, extended exposure of players
-
- Once your team's game is over please leave the building and return later.
 - If you are sick or someone in your circle of friends and family are - stay home.
 - Individuals that are "at risk" need to stay home.
 - The concession area will be open – Please throw away your trash and do not congregate in the concessions area.
 - No handshakes after games.

COVID-19 restrictions will apply as deemed by Kansas and Johnson County at that time.
