Maryland District 2 Little League Baseball and Softball Tony Russo, District Administrator www.mddistrict2.org

On behalf of Little League International, Maryland District 2 Little League, and Frederick National Little League (FNLL), we are very proud to host the 2019 Maryland State Little League Baseball Championship, being held July 20-26, 2019.

As the Tournament Director, I want to personally welcome you to beautiful Frederick, Maryland; to congratulate you on being a member of your District's Championship Team; and convey some information, which should help you make the most of this Little League tournament experience. Prior to traveling to the Tournament, please read through this packet carefully, as there are several important items about which you should be aware. If I can be of any assistance to you whatsoever, please feel free to call or text me at 443-285-1036.

This year's tournament theme is: "Building Stronger Communities with Little League." Tournament play kicks off with an Opening Ceremony honoring all of the Teams, followed by a heart-warming Challenger Division game. And, while all games will be professionally produced, and live-streamed, via Facebook Live, absolutely nothing replaces actually coming out, and being a first-hand part of the Little League State Tournament experience. This is a truly special event for our Little Leaguers all across Maryland. The winner will advance to the Mid-Atlantic Regional Championships, held in Bristol, Connecticut.

Our amazing host, FNLL has a proud 68-year history, which includes: time-tested support from the community, an incredible complex, and fabulous volunteers, dedicated to making this a memorable event for everyone. In fact, FNLL has hosted the Little League Tournament several times before, including the first Maryland State Tournament, in 1957.

I know parents, families and friends can get very excited and become very involved in the games, and we certainly welcome the support and enthusiasm. Every Volunteer is dedicated to making this the most positive experience for all; therefore, there shall be a zero-tolerance policy for unsportsmanlike behavior, in any form, whether directed towards players, coaches, officials, umpires, or other spectators. Any person, whose behavior is deemed a detriment to the overall experience, will be removed from the Tournament Complex. Please do not embarrass your child, or their Managers/Coaches and Teammates, by needing to be removed from the Tournament Site.

If you are planning on staying at one of the Frederick area hotels, please make your reservations early, as the local hotels fill up quickly during the summer weekends. When arriving to and from the Tournament Complex, please follow directions and guidance from our parking/logistic volunteers. Neither MD-2 or the Host shall be responsible if a foul ball hits your car.

Welcome to Frederick, Maryland, and we hope you truly enjoy the experience!

Sincerely,

Tony Russo
District Administrator
