

# WEATHER PLAN

Updated 7/7/2020

We have a two-tiered weather delay plan in place. In the absolute worst case scenario, as a result of severe delays, we would go to 25 minute running time games to catch up.

- For delays of 30 minutes or less, games will conclude at the top of the hour, regardless of when the delay occurred. (Each game therefore lasts a minimum of 30 minutes).
- For delays of 30 minutes or more, games will consist of one 25 minute period until the regular schedule is resumed (as determined by the Tournament Directors).

Examples:

- Delay of 30 minutes at 1:15. Teams will have played 30 minutes (1:00-1:15, 1:45-2:00), final score at 2:00 determines winner.
- Delay of 30 minutes at 1:30. Teams will have played 30 minutes (1:00-1:30), final score at 1:30 determines winner.
- Delay of 25 minutes at 1:45. 1:00 game is considered complete, final score at that point determines winner. 2:00 game begins at 2:10, and that game/halftime will be shortened by a couple of minutes.
