## TOURNAMENT GUIDELINES

## Official Rules

Gameplay rules will remain consistent with the NFHS (National Federation of State High School Associations) rules and regulations of play. Some variances will occur.
*** Note: Variances from the NFHS rules and regulations of play will be listed below.

## Player Eligibility

RecPros uses a GRADE based system for all divisions.

Players will be categorized in the grade they were enrolled in during the 2019-2020 school year unless they are playing in an older division. Players may only play for one team for the duration of the tournament. No player should attempt to play in a division below their grade level. If a player is found playing in a division below grade level, or cannot provide proper documentation when asked, the result will be a team forfeit of all games they participated in illegally.

Players must show proof of grade level when asked. A copy of the child's latest, most current report card will serve as proper documentation to the above. Home-school players must also have all proper proof showing their current grade level and current STATE DOCUMENTS. In the rare instance where a child has skipped a grade, but his/her age is in line with a younger division, that player would be eligible upon showing documentation with prior approval from the tournament director.

## Game Time Rules

Warm-Up: Before the start of the game, each team will utilize one half-court for a three (3) minute warm-up. Warm-up times may vary, but games will not start early.

Playing Times: 3-6 Grade Divisions will play 18 minute halves, running clock except in the last 2 minutes of each half. There will be a three (3) minute warm-ups / halftime and, if necessary, a 2 minute overtime.
7-12 Grade Divisions will play 20 minute halves, running clock except in the last 2 minutes of each half. There will be a three (3) minute warm-ups / halftime and, if necessary, a 2 minute overtime.

## Scorebook: The HOME team must provide someone to keep the scorebook. The Home team will be

 indicated by the first team listed in pool play and the top team in bracket play. The official clock-keeper and team scorebook keepers will be the only individuals allowed at the scorer's table during the game.Timeouts: There will be two timeouts awarded each half: (2) - full timeouts. The timeouts do not carry over. In overtime each team will receive (1) - . 60 second timeout.

Late Arrivals: Game time is start time. Any team not ready to play at the scheduled game time will forfeit the game.

Grace Play: Once a team has acquired a 20 point lead, we will institute a running clock and the team ahead may not pick up defense until mid-court (no presses). In order to reestablish regulation play, the opposing team must bring the lead back to within 20 points.

Rosters: Each team must submit a finalized roster, with numbers, before their first game of the tournament. Once submitted, it cannot be changed or added to. Each player may only participate with one team per tournament. The first roster they play a game on will be the roster they are committed to for the remainder of the tournament. If a player plays on a second team in the tournament, the second team they played for will be forced to forfeit any and all games that player competed in.

Schedules: Once the tournament schedule and bracket has been published for the tournament, it will remain finalized for the duration of the tournament. System/staff error will be the only exception.

Equipment Basketball size for Boys Divisions

- 3-6 grade divisions will use 28.5 size basketballs
- 7-12 grade divisions will use 29.5 size basketballs

## Overtime

If a game goes into overtime, there will be an additional two (2) minutes of play to determine the winner of the game. Each team will have (1)-. 60 second timeout after regulation has ended. If there is still a tie after the first round of overtime, a second overtime will be played. The second round of overtime will be played in a sudden death fashion - the first team to go up by 2 points will be declared the winner.

## Pool Play Tie - Breakers

1. In any situation where two teams are tied, head-to-head competition between the teams will determine the winner.
2. If more than two teams are tied, a point differential tie-breaker will be applied. (The max point differential allowed for a game is 15 points)
3. If two teams are still tied after point differentials, points allowed will be used to break the tie.
4. If two teams remain tied after all previous tie breakers have been used, then points scored will be used to break the tie.
5. Any ties after this will be decided by a coin toss.
6. The score of all forfeits shall be 15-0.

5 Teams or less in pool: The teams will be in one pool and will be seeded by the above tie breaker system.
6-8 Teams in pool: Teams will be divided into two pools with the above rules setting the pool places. After pool places are set, the bracket will be specific pool places being assigned to bracket spots that ensure $1^{\text {st }}$ round cross pool play for the bracket - thus allowing as many teams as possible to play at least three different opponents.

9+ Teams in pool: Teams will be divided into multiple pools, and we will use the Divisional Tie Breaker system given below.

1. The first tie breaker will be pool place.
2. The second tie breaker is pool play record.
3. The third tie breaker will be point differential.
4. The fourth tie breaker will be points allowed.
5. If still tied, then points scored will be used.
6. Any ties after this will be decided by a coin toss.
7. The score of all forfeits shall be 15-0.

Any team failing to complete check-in will be subject to forfeiting their $2^{\text {nd }}$ game and beyond even if the game has already taken place.
