

US Baseball Post Covid19

Rules and Standard Operating Procedures

YOUTH

PreGame

All players will be required to enter through front gate. Players/coaches will be temperature checked. 1 single team cooler is allowed to be carried in, by coach and marked by front gate staff.

During Game

All players will be responsible for their own hydration during game. water coolers will not be provided in dugouts. Sanitation stations will be available in dugouts.

Post Game

Players will not shake hands with opposing team post game. Players will dispose of all trash when leaving dugouts.

FANS

PreGame

All fans/spectators will be required to enter the park through one single entrance. Fans/spectators will be temperature checked, prior to entering facility. Fans will not be allowed to bring any outside food or drink into the facility, per standard normal guidelines. All fans/spectators will be heavily encouraged to sign up for the USBP News for **During Game** if necessary.

Public service announcements and sanitation reminders will be made every inning during games, via PA and video board. Sanitation stations are accessible throughout the stadium in addition to bathrooms. Fans/spectator seating is marked with a distinctive marker to follow CDC guidelines of social distancing. Purchases of all concession stand items will be enclosed in to-go boxes or cups. Social Distancing Tape Markers will be present along concession stand lines.

Post Game

Fans/spectators will be required to stay in the stands to wait for player or exit the facility. Sanitation stations are available along the exit.

STAFF

PreGame

All staff will be required to report at designated times prior to scheduled shifts through one single entrance. Staff will be temperature checked, logged and signed in prior to entering facility. All staff will be required to wash hands at sanitation stations prior to entering customer service areas. All staff will be required to clean and sanitize all counter tops and service areas prior to opening.

During Game

All staff will be required to wear masks within customer service areas. Gloves will be worn by all staff in food service areas. Staff will be required to sanitize hands on a 15 minute timed basis. A single staff member will be responsible for touching cash at each customer service area. Purchases of all concession stand items will be enclosed in to-go boxes or cups and presented to customers.

Post Game

All customer service surfaces will be sanitized prior to leaving. Trash will be disposed of in dumpster outside facility. All dishes and utensils used with concession stands will be washed/sanitized. Bathrooms will be sanitized overnight.
