

Evangel field rules:

- 1) Coaches will need to provide the Evangel coaching staff with a printed copy of their roster and on-field personnel upon arrival.
- 2) Coaches will need to review the following 3 questions with each team member to ensure their health and willingness to assume the risk of participation.
- 3) A member of the Evangel coaching staff will conduct temperature checks for the members of the roster and personnel provided. Temperature checks and the acknowledgement of being symptom free, exposure free and willing to assume risk will be recorded into our Athletic Trainer's participation database for tracking purposes by an Evangel coach.

Have you had any of the following symptoms in the last 14 days?

- Cough
