Every team should play 6 games total in regular season, therefore grades 4 & 5 play Sunday, October 11 and Saturday, October 17. Their playoff is Wednesday, October 21.					
Yellow cell indicates a game that teams play an extra half, (3 halves total.) This is to accommodate long rosters so all players may have opportunity to enjoy playing in the game and develop. This half will not affect standings.					
Visitor wears the light jersey.
