

# IOWA WEST FIELD HOUSE COVID-19 GUIDELINES

**-IWFH Staff:** IWFH staff goes through a mandatory COVID-19 prescreening prior to each of their shifts. They are required to wear masks and gloves at all times.

**-Player/Spectator Screening:** We ask that all those entering our facilities do their own screening at home and anyone showing signs or symptoms of COVID-19 must not enter the IWFH facility. For detailed guidance on home screening, go to [www.cdc.gov/screening](http://www.cdc.gov/screening).

**-Masks:** ALL who enter all game facilities MUST wear a mask. If you do not have one, you will not be allowed in. This includes all players, coaches, referees, and spectators. Coaches and Spectators must wear masks AT ALL TIMES. Players and referees may remove their masks **ONLY when they are on the court and must wear masks on the bench and at all other times**. As a result of our enforcing face coverings at all times.

**-Food/Beverage:** Food and beverage will be allowed into the play area, but those taking their masks off to eat or drink must stay 6 feet away from all non-family members.

**-Social Distancing:** All participants must practice the recommended 6 feet of social distancing between families in all areas of the facility. Stools around the perimeter of the courts are marked with X's. Seats with X's should be left open.

**-Pre-Game / Transition from Game to Game:** We understand that the timing of this can be somewhat challenging, and we ask for your patience with this process. Participants should not show up to their venue until 15 minutes prior to their game. In the event you arrive early, participants must socially distance in the concourse and around the perimeter of the outside of the courts. Teams will not be able to approach their bench until the game before is completed. It is the coach's responsibility to ensure this process is strictly adhered to.

**-Post-Game:** There will be no handshake lines after the game, and post-game huddles will not be allowed. Players, coaches and spectators must exit the facility immediately following their game. Coaches must be sure all trash is cleaned up and must double check bench areas for any and all belongings left behind. All items left behind will be thrown away immediately. Participants must maintain social distancing while exiting the courts.

**-Sanitation Procedures:** High touch point areas will be sanitized after every game.

**-Water Fountains:** The water fountains and filling stations will be turned off. Please make sure that your athlete brings their own water bottle.

**-Basketballs:** One Coach per team will be allowed to bring three basketballs in a secured net or bag. Basketballs may be used from the start of warm-ups until the start of the game and then throughout half time. Absolutely no other basketballs will be allowed in the facility and violators will be required to take their ball back to their car. Home team will provide the game ball, and we will have sanitization materials available for coaches to sanitize the game ball before and after the game.
