

## TOURNAMENT COVID-19 GUIDELINES

**Staff:** Admissions staff are required to wear masks and gloves at all times.

**-Player/Spectator Screening:** We ask that all those entering our facilities do their own screening at home and anyone showing signs or symptoms of COVID-19 must not enter OSA facilities. For detailed guidance on home screening, go to [www.cdc.gov/screening](http://www.cdc.gov/screening).

**-Masks:** ALL who enter all game facilities MUST wear a mask. If you do not have one, you will not be allowed in. This includes all players, coaches, referees, and spectators. Coaches and Spectators must wear masks AT ALL TIMES. Players and referees may remove their masks ONLY when they are on the court and must wear masks on the bench and at all other times.

**-Spectators:**

1. Attendance will be limited to **TWO PEOPLE** from immediate households PER athlete. This will be referred to as "Household Units." We recognize this is taking things a step further from the Governor's DHM, but we feel this is the safest for everyone involved and best way to be able to effectively manage this process and space six feet between household units.

2. Spectators/Athletes/Coaches are not allowed to enter the facilities until 15 minutes prior to their scheduled game.

3. Spectator/Player Gym Entry – ALL FACILITIES: In order to ensure each player does not exceed the two-spectator per household unit limit, the 1-2 members of the household unit must enter the gym with their athlete. Coaches are not allowed extra spectators, but will NOT be included in the total household unit count. However, if the total number of spectators per household unit exceeds two, the coach must then stand six feet away from his household unit, before games and when exiting the facility. **NO SPECTATORS WILL BE ALLOWED ENTRY WITHOUT THEIR ATHLETE.**

**NO SPECTATORS WILL BE ALLOWED ENTRY INTO THE GYM WITHOUT THEIR ATHLETE.**

4. Spectator Seating: We will be strategically placing chairs at UBT and Bellevue Lied Center where one to two members of a household unit may sit. We are adding an extra set of bleachers at the Mark, as well as folding chairs, and will also specifically note where the two members of a household unit may sit together. If only one member of a household unit is in attendance, they must sit six feet apart from the next household unit. **Under no circumstances should chairs be moved or pushed together.** There is no standing room. Household units must sit in designated seating areas. Siblings of participants must be seated and may not freely roam around the facility.

**-Post-Game:** There will be no handshake lines after the game, and post-game huddles will not be allowed. Players, coaches and spectators must exit the facility immediately following their game. Coaches must be sure all trash is cleaned up and must double check bench areas for any and all belongings left behind. All items left behind will be thrown away immediately. Participants must maintain social distancing while exiting the courts. **TEAMS MAY NOT STAY IN THE FACILITY BETWEEN GAMES.**

**-Basketballs:** Home team will provide the game ball, and we will have sanitization materials available for coaches to sanitize the game ball before and after the game.

- As a result of our enforcement of face coverings at all times, **NO FOOD OR DRINK will be allowed into the gym**, with the exception of player water bottles. Those who do not comply will be removed from the facility without any warning.
