

2021 NJ Heat Events COVID-19 Team Verification

Due to NJ State Executive Orders, youth sporting events are still under COVID-19 restrictions at this time. This form will be used as verification that all players, coaches and score keepers meet the criteria set forth by the State of NJ to participate in our event on March 27th, 2021.

All players, coaches and scorekeepers must be listed in the form below along with signature of participants (age 18 and over) and signature of parent/guardian (for those under age 18). All participants will need to accompany the Head Coach to team check-in where we will review and provide everyone listed with a bracelet. Only those wearing bracelets will be allowed in team/dugout areas. All others will need to view game from spectator areas.

Signature on this form serves as verification for the following:

Players/Coaches/Scorekeepers:

- Has not presented a fever over 99.5 degrees or higher over last 48 hours
- Has not been in contact with (6' or less for 15 minutes or more within 24 hours) with someone that has tested positive for COVID or waiting for results of a COVID test due to showing symptoms
- Has not had any COVID related symptoms over the past 48 hours

Player Name	Parent/Guardian Signature

Coach Name	Signature
