

Rules & Warnings:

2020 NCAA Rules Apply except there are NO stick checks unless requested. Any sticks can be used by all. Dives are allowed! 2022-2024 must face-off SNG (standing neutral grip). Knee down and SNG face-offs are allowed for 2025-2029 divisions.

Covid-Safe Face-Off mechanics are as follows: Referee at midline with ball. Ref ask both face-off middies to step back 6-10 feet as he places he ball down on the midline. Ref then steps back 10 feet and tells the two players to "GO DOWN". Both face-off players go down on the line properly. Ref then walks around and checks and adjusts players, as necessary. Ref will then say, "OK, guys looks good. And then the Ref then makes the official and loud "SET" call, and the ref then blows the whistle.

All divisions (except 29) play NCAA 30 second clears to touch ball in offensive box.

Referees can NEVER put on stall calls or shot clocks. Instead, in the final 2 minutes of games only when the score is within 2 goals, teams leading must be told to 'get it in and keep it in the box'. Leading team has 10 seconds to get it in and then must stay in the box at 2-minute mark.

If score is within 2 goals, the clock is start-stop in the final 2 minutes of the game.

All Games are four, 11-minute running quarters. 1-minute break between quarters and 2 minutes at half-time.

All penalties are running time starting on ref whistle. Referee keeps running game clock, penalty clocks and official score. Field coordinator assists scores and times by keeping both but they are not official. The FC sends scores to HQ for Tourney Machine after each game after confirming with refs.

No Ties allowed. If tied go to 'Sudden Victory' with no clock until a team scores.

One 30 second time-out per half can be taken only once ball is in the offensive box or on dead ball (as per NCAA rules). One time-out in OT. Clock stops for all TO's.

Tie-Breakers: Head to Head, then lowest Goals Against vs common opponents, then lowest goals against all opponents, then highest Goals For, then Goal Differential. Some divisions may have specific tie-breaker & seedings explained in a division section on Tourney Machine.
