

Division: 3/4

Fields: Games will be on fields 5 & 6

Checking: No checking

Game Length: 25 minute running clock

Game Play: Each team will field 7 field players and a goalie. If you do not have a goalie, the tournament staff will provide a net protector. Only tournament provided net protectors may be used. We do not require 3 passes before shooting but good sportsmanship is always encouraged.

Scoring: Goals scored. A draw will be done after each goal. Games may end in a tie during pool play. A 2v2 braveheart will be conducted during the bracket portion of play.

Standings: Pool standings are determined by record, head to head result, goal differential and then goals against. If still tied, a coin toss will determine position.

Playoffs: Teams will play their fourth game in the playoffs

Total games: Each team will play a total of at least 4 games. Teams that advance in the playoffs may play more. Please review the bracket portion of the schedule to see the additional games.

Check In/Out: A team representative must check in at the Tournament HQ before the start of the first game and after the team's last game. This is done to ensure a smoothly flowing schedule and that a team does not leave prior to the completion of all their games.

Requirements: At check-in, please provide a team roster with name, DOB, jersey number and US lacrosse number. If your players are not US Lacrosse members, please provide a copy of your club's insurance certificate.
