

## **Rules & Warnings:**

**All players must submit [ONLINE WAIVER](#) to be eligible. Failure will result in team forfeit.**

2021 NCAA Rules Apply. Exceptions/clarifications:

NO stick checks unless requested. Any sticks can be used by all.

SNG-Standing Neutral Grip Face-offs ONLY for all grades. Refs MUST be lenient on set up. Only fault starts can be called, not set up violations.

20 Seconds to clear midline ONLY but NO 80 second shot clock.

2029 division will NOT play 20 second clearing count rule.

In final 2 minutes of games when the score is within 2 goals, referee CAN put on a 30 second shot clock if leading team is stalling.

All games are four 11-Minute running quarters. Ties NOT allowed so play 'Sudden Victory' OT without a clock until goal.

All penalties are running time starting on ref whistle. Referee keeps running game clock and penalty clocks and official score. Field coordinator supports scores and times as needed. Both must agree at end of game to make it official.

One 30 second time-out per game can be taken at any time. No TO's in OT. Clock stops on TO's.

Teams must wear reversible game jerseys. Failure results in loss of ball in opening possession. Please be aware that balls can and will fly from fields (shots or passes) and cause serious bodily harm. Do not sit directly behind goals or within reach of errant shots that could travel up to 50 yards from a goal.

Players, Coaches & Fans are always expected to act with class & sportsmanship. Failure to do so will risk player & team disqualification. If asked to leave the premises, please do so immediately or the proper authorities will be called. Player, coach, or fan ejection from a game results in sitting away from the field for the following game as well. In some incidences, at the Director's discretion, an ejection may result in completely removal from the entire tournament.
