Welcome to the McDonald's Texas Invitational

After a year's forced layoff due to the pandemic, we are anticipating with great excitement the tip-off to the 18th annual McDonald's Texas Invitational Basketball Tournament. It has been too long since we last gathered some of the elite high school basketball talent in Texas to compete against one another in this pathway to the Texas state championship.

The City of Pasadena, its Chamber of Commerce and the Pasadena Independent School District once again join together to host the McDonald's Texas Invitational. Along with our chamber and school district partners in Deer Park, we look forward to welcoming the 48 boy's teams and 32 girl's teams to one of the largest and most prestigious high school basketball tournaments in Texas.

More often than not the eventual state champion got its start in our tournament. The line-up this year again includes some of the top teams and best players in the state. Without a doubt you will see some outstanding basketball played starting Nov. 18.

More than 300 community volunteers work hard to ensure that our tournament goes off without a hitch. We absolutely want you to have a great time in our community. The leaders of our tournament steering committee and our community take great pride in supporting our youth, not just in our town, but across Texas. I am deeply appreciative of the work they do in preparation for our tournament.

The tournament is more than just a game to us. All the profits from the tournament are donated to the Pasadena ISD and Deer Park ISD education foundations. As an extension of their mission, the funds are then given to teachers to support innovative teaching projects to assist students in the classroom. Since the tournament's inception in 2003, more than \$2.5 million has been raised to support our students. That's what it's all about...making a difference in the lives of our children and young people.

None of that work would be possible without the financial support of more than 115 sponsors. Despite the hardship endured during the pandemic and the one-year layoff, these business owners and corporations renewed their support for the tournament because they know the value of a well-educated work force. They understand the goal of our tournament is to benefit our students. Take note of who they are. I encourage you to do business with them if you have a need for their services and products. You will enjoy getting to know them.

Scroll through our website at www.texasinvitational.com for game times, locations and additional information about the tournament. It is our hope that you enjoy as many of the almost 200 games that will be played in the MTI. Cheer the student athletes who pour their heart into every second of every game. I know they feed off the energy you bring to the tournament. Thank you for being a part of something special.

Welcome to the 18th annual McDonald's Texas Invitational Basketball Tournament.

The McDonald's Texas Invitational Basketball Tournament is regarded as one of the nation's premier high school basketball tournaments and serves as a fundraiser for the Pasadena ISD and the Deer Park ISD Education Foundations. The proceeds from this tournament support the academic achievement of over 49,000 students in Pasadena and over 12,000 students in Deer Park through innovative learning opportunities for our students. Since its inception in 2003, the tournament has raised over \$2.5 million for our schools. Your attendance, support, and sponsorships make it all possible.

Over the next few days, hundreds of volunteers in Pasadena and Deer Park will do all they can to make this tournament the most welcoming and enjoyable basketball tournament you have ever experienced.

With a host of top teams and top players, the McDonald's Texas Invitational guarantees you will see exciting basketball and very talented athletes. While you are here, you will be introduced to our outstanding school districts and our amazing cities. You will meet some of the most hospitable people who exemplify why the Pasadena/Deer Park area is a special place to live, work, and learn. The fantastic business and community support adds to the enjoyment because we could not pull off such an extraordinary event without their assistance.

On behalf of the students and staff of the Pasadena and Deer Park school districts, thank you for joining us for this annual event. While you are here, cheer loudly and proudly for your team, watch some great basketball, and enjoy your time in our communities!

WELCOME TO PASADENA, TEXAS

HOME OF THE MCDONALD'S TEXAS INVITATIONAL

Welcome to the 2021 McDonald's Texas Invitational, the tournament where 80 teams will vie for championship trophies. We will again have 48 teams in the boys' division and 32 teams in the girls' division. This is the 18th year for the event that has grown to be one of the largest high school tournaments in the nation where "The Road to State Starts Here" each year. Many of the state champion teams of the past have started their season at this tournament.

TOURNAMENT LEADERSHIP

We have so many citizens who have a passion for this tournament and who devote hundreds of hours of volunteer time to ensure its success. The leadership is provided by our tournament steering committee composed of 45 of the most dedicated area citizens who are committed to supporting the youth of our community.

VOLUNTEERS

Every year our 400 volunteers join with the tournament leadership to perform the many tasks from selling tickets, to hosting teams, working in the hospitality rooms, donating food and refreshments and being available to assist our guests and visitors. You will see them in the black shirts with the tournament logo. Let them know you appreciate what they are doing.

EDUCATION FOUNDATIONS BENEFIT FROM TOURNAMENT PROCEEDS

All of the profits from this tournament are donated each year to the PISD and DPISD Education Foundations. These funds are used for grants to assist teachers and students in the classroom. In the past 15 years over 2 million dollars has been donated. Studies each year indicate too that the tournament has a significant economic impact on our entire area. That impact averages about \$2.5 million dollars annually.

APPRECIATION TO OUR MANY SPONSORS

McDonald's and the many area businesses provide the financial support needed each year. The event would not be possible without their support. The generous support they provide is very much appreciated and we encourage you to visit these businesses that support the tournament.

THANK YOU

There will be nearly 200 games played at 10 venues. Please check out the program for game times and game sites. You may also visit the tournament web site at **www.texasinvitational.com** for additional information. Thank you for attending and enjoy the games and your visit to our community.

The Vopak Way

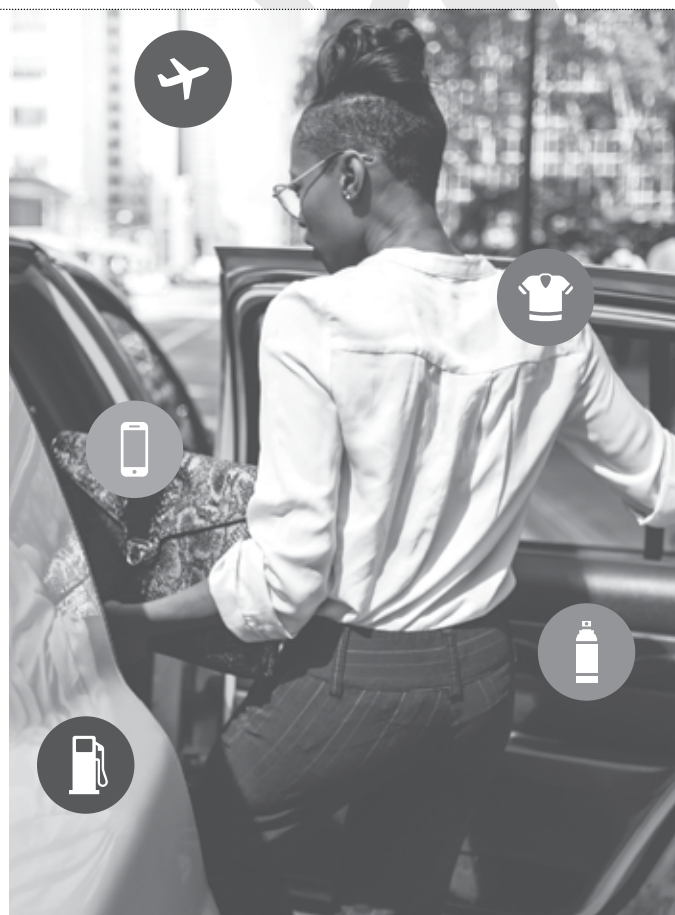

Around the world, Vopak connects the supply of and demand for vital products and resources. Energy, such as oil and gas that allows us to cook, heat our homes and travel the world. Chemicals for the manufacturing industry to use in a wide range of products and edible oils to support the growing demand for food and agriculture. We ensure the safe, efficient and clean storage of such vital products.

Vopak's relevance in society is defined by what we do – storing vital products – and by how we do it – with care – ensuring that safety, for both people and the environment, is our number one priority. This is our purpose:

We store vital products with care.

The mission of the Pasadena ISD Police Officers Association statement is to give back to our community, through service.

The department and its Officers give back in many ways. One of which is their annual toy drive, that collects toys and gifts which are then given to local organizations for distribution. Another is our annual car show which gives out scholarships to graduating seniors.
