## OSA League Rules and Policies (revised October 2021)

GAME CHANGES- We will go to great lengths to try and accommodate all coaches' scheduling requests whenever possible. It is too disruptive to move games, as it not only affects your team, but also your opponent and the other two teams who would need to move games to accommodate your request Therefore, as in previous seasons, while we want to provide the highest level of customer service and be easy to work with, we will only move games in the most extreme circumstances. A coach not being available or a team short a few players does not justify a schedule change. If your team must forfeit, please give us plenty of notice so we can find a replacement for your team.
