**Shiloh: We would greatly appreciate it if the players could wear their tennis shoes until after they are done playing catch in the outfield and try to refrain from taking ground balls in front of the dugouts. Thank you!

-Also, if foul balls go over the 3rd base side... a few of the yards have gates to get into their backyards to get baseballs.

****White River: Any field that is TURF, NO Metal Spikes, NO Seeds, NO Gum, any teams violating this policy will be subject to immediate game forfeit.**
