Round Robin Rules and Format

- USA Hockey rules apply during every game.
- Three (3) points are awarded for a win, one (1) point for a tie, zero (0) points for a loss in Round Robin Games
- Home Team wears Dark Jerseys
- All divisions play 14 minute periods with a rolling ice cut every two periods. Pre-game warm-up will be three (3) minutes long and commence as soon as the Zamboni doors close and the scorekeeper sounds the horn.
- Any player who is assessed four (4) penalties during a game or a game misconduct is automatically suspended for the next Stevenson Tournament Game.
- Any player who is assessed a fighting major will be suspended for the remainder of the tournament.
- Running clock in the third period when the goal differential exceeds 5 (stop time will resume if differential drops below 5) – run clock for penalties – stop clock for injuries.
- No Timeouts permitted during round-robin games.
- All teams should be ready to take the ice as much as 20 minutes prior to their scheduled start time in the event prior games finish early.
 - 1) Division advancements are ranked in the following manner:
 - 1) Most points 2) Best +/- with a cap of +/- 7 per game 3) Least goals allowed 4) Most goals scored 5) Coin Toss

Semi-Final and Championship Rules and Format

- USA Hockey rules apply during every game.
- Green and Black Divisions will play 17 minute periods with an ice cut after two periods of play. Gold and White divisions will play 15 minutes periods with no ice cut. Pre game warm-up will be three (3) minutes long and commence as soon as the Zamboni doors close and the scorekeeper sounds the horn.
- Running clock in the third period when the goal differential exceeds 5 (stop time will resume if differential drops below 5) – run clock for penalties, stop clock for injuries.
- One (1), one minute Timeout permitted per team.
- Any ties at the end of regulation time will result in a sudden death overtime period seven (7) minutes in duration after a 2:00 minute break for the semi-final round and ten (10) minutes in duration after a 2:00 minute break for the final round. If no winner is determined, a shootout will be used to determine a winner. The shootout format will be as follows:
 - Each coach selects 5 shooters prior to the start of the shootout. All other skaters not involved in the shootout must remain on the bench. Goalies may be alternated as much as needed. Should a player be serving a penalty (except a game misconduct or a match penalty) when the shootout commences, that player is permitted to participate in the shoot-out. The team designated as the home team has the option to go 1st or 2nd. Teams will alternate shooters thereafter.
 - If the game is still tied after 5 shots/team, a sudden death shootout will commence. Again, the home team has the option of going 1st or 2nd. Note: the team which goes 2nd in the sudden death shootout will have the opportunity to shoot even if the team that goes 1st scores.
 - Every player must shoot before any other player shoots a second time.
