

Rules & Warnings:

2021 NCAA Rules Apply except there are NO stick checks unless requested. Any sticks can be used by all. Dives into the crease are not allowed. EVERY GRADE must face-off SNG (standing neutral grip). NO knee down or double overhand grips allowed.

All divisions play NCAA 20 second clear the ball past midline. There is NO touch it in after that.

Referees can NEVER put on stall calls or shot clocks. Instead, in the final 2 minutes of games only when the score is within 2 goals, teams leading must be told to 'get it in and keep it in the box'. Leading team has 10 seconds to get it in and then must stay in the box at 2-minute mark.

If score is within 2 goals, the clock is start-stop in the final minute of the game.

All Games are four, 11-minute running quarters. 1-minute break between quarters and 2 minutes at half-time.

All penalties are running normal length starting on ref whistle. Referee keeps running game clock, penalty clocks and official score. Field coordinator assists scores and times by keeping both, but they are not official. The FC sends scores to HQ for Tourney Machine after each game after getting signed confirmation from refs.

No Ties allowed. If tied go to 'Sudden Victory' with no clock until a team scores.

One 30 second time-out per half can be taken only once ball is in the offensive box or on dead ball (as per NCAA rules). One time-out in OT. Clock stops for all TO's.

Tie-Breakers: Head to Head, then lowest Goals Against vs common opponents, then lowest goals against all opponents, then highest Goals For, then Goal Differential. Some divisions may have specific tie-breaker & seedings explained in a division section on Tourney Machine.

All players must submit [ONLINE WAIVER](#) to be eligible. NO PLAYERS can play for two teams no matter what. If you're rostered on two teams you will not be able to play for either. Failure to submit a waiver may result in a players and/or team forfeit.
