

# Welcome to the 2022 ASHA 10U Minor State Tournament Hosted By Anchorage North Stars

Dear Players, Coaches, Parents and Youth Hockey Fans,

On behalf of the AHA North Stars, we would like to welcome all players, coaches, and parents to 2022 ASHA 10U Minor State Tournament. We're excited to be hosting this year's State Tournament with twelve 10U minor teams which should make for some exciting hockey! We hope you enjoy what we are sure will be a great weekend of fun & competitive hockey.

Anchorage North Stars is operated by Anchorage Hockey Association, a non-profit youth hockey organization which was founded in 1961. AHA just celebrated their 60<sup>th</sup> Anniversary this past year. Our youth hockey club values and respects the life lessons that youth hockey stands for. These include work ethic, fair play and teamwork and good sportsmanship. So let's remember these values throughout the weekend... Let's have fun and remember it's about the kids!

This year, we will **only** be using the Tourneymachine App to post the tournament schedule & scores, tournament rules, and vendor information. Please take a minute to download the tourneymachine app by clicking on the link below or we will have QR codes posted around Demspey Anderson during the tournament.

Finally, thanks to all the volunteers who have worked to bring this tournament together. Without your help and dedication, this would not be possible.

Good Luck to all Teams!!!
