### Shootout Procedure/Recording

#### Overtime

##### (a) Youth Preliminary-Round Games

1. All Games Played to a Winner: If the game is tied following regulation play, one five (5) minute sudden death overtime period shall be played. At the completion of the third period, the tied teams shall receive a two (2) minute rest period. The teams will remain on the ice. The teams shall change ends. If the score is tied at the end of the five (5) minute sudden death overtime period, there shall be a shootout. The winner of the shootout will be credited with one additional goal in the final score.

##### a. Shootout

The shootout will be conducted as follows:

- A shootout is defined as a player attempting to score a goal and the opposing goal-keeper attempting to stop the shooter from scoring the goal.
- The referee shall call the two captains to the referee's crease to flip a coin to determine which team takes the first shot. **The home team will call the coin toss.** The winner of the coin toss will have the choice whether his/her team will shoot first or second.
- All goalkeepers and all players from both teams listed on the official game sheet shall be eligible to participate in the shootout.
- The teams shall defend the goal they defended in the third period
- Any penalized player whose penalty had not been completed when the overtime period ended or who receives a penalty during a shootout procedure is not eligible to participate in any portion of the shootout procedure(s) and must remain in the box.
- The shootout procedure shall begin with five different individual shooters from each team taking alternate shots. The players do not need to be named beforehand.
- The goalkeepers from each team may be changed after each shot.
- The players of both teams will take the shots alternately until a decisive goal is scored. The remaining shots will not be taken.
- If after the shootout, the shootout score is still tied, there will be a sudden death shootout.

##### b. Sudden Death Shootout

The sudden death shootout will be conducted as follows:

- A sudden death shootout is defined as each team attempting a shot. Should one team be successful and the other team not, the successful team shall win the shootout.
- Teams will select their shooters to participate in any order in sudden death shootout, whether or not they shot in the previous round. The Last player in the first round of the shootout may be the first player in the sudden death shootout.
- Players in a sudden death shootout shall not be allowed to take another shot until four additional shooters have completed their attempts.
- All goalkeepers and all players from both teams listed on the official game sheet shall be eligible to participate in the shootout.
- Any penalized player whose penalty had not been completed when the over-time period ended or who receives a penalty during a shootout procedure is not eligible to participate in any portion of the shootout procedure(s) and must remain in the box.
- The goalkeepers from each team may be changed after each shot.
- The official scorekeeper shall record all shots taken indicating the players, goalkeepers and goals scored.
