

Welcome to SVI 2022!

On behalf of Hollis Brookline Cal Ripken, welcome to the
2022 Cam Ricard Souhegan Valley Invitational!

This informational flyer is to help coaches and player families be best prepared for all things SVI heading into a busy week.

Be Informed : To stay up to date with your team(s) and any schedule changes, we strongly encourage all coaches and parents to download the Tourney Machine app. Once on the app, you can find our tournament and follow your teams to ensure you are notified of any schedule changes as the tournament progresses.

Snack Shacks at Hollis/Brookline Games : Our snack shacks at Nichols, Nichols Softball, Waugaman, and Jensen fields will be open daily during the tournament. For games at Hollis High School Softball – we plan on having a mobile hot dog cart available at various times during the games on Saturday/Sunday. The Kona Ice Truck will also be present on Saturday & Sunday at Hollis fields.

Walter Bat Company Tent : Walter Bat Company will be on hand with a tent/table at the Hollis fields over the weekend. Be sure to check out their offerings.

Tournament T-Shirts : Our Tournament T-Shirts are always a huge hit with players and families alike, and this year will be no exception. Teams that placed advance pre-orders will be sent information on how to obtain their group orders. For those who did not place a group order, a limited supply of tournament t-shirts will be available at the snack shacks in Hollis and Brookline while supplies last. T-shirts are \$20 each and feature the tournament logo on the front, and the back features nearly all of our 2022 participants.

Keep fields clean : Please help keep all HB (and other host towns) fields clean. Prior to departing the fields each day, please ensure that all trash is properly disposed of in trash cans. Coaches are asked to ensure teams clean out their dugouts properly after each game concludes as well.

Take Photos/Videos : While enjoying the 2022 SVI games, we invite you to take photos and videos of the action. We plan to ask for submissions later in the tournament as we will make a highlight video for the players and families to enjoy after things wrap up.

Good Sportsmanship : This (and any) tournament is for the kids. We, as coaches and parents, must set the example for them. There will surely be questionable calls as there are in any sports. There will also be bad hops and bonehead plays. Despite this, we will all cheer for and support our players and be superb examples for them. Profanity of any kind is not permitted. All coaches, players, and game attendees are to be respectful of one another and towards umpires and tournament officials. We want to make this a memorable experience for our participating teams, and we thank you in advance for doing your part.
