

Tournament Game Play Rules, Policies and Procedures

All Games will be played under NFHS base rules with the following modifications and points of clarification

THE RADAR INVITATIONAL

Sportsmanship Policy

We love a good game and sportsmanship! Sportsmanship and the concepts of fair and honorable play are essential to the overall success of the Tournament.

- Players, coaches, officials, parents and spectators are to conduct themselves in a manner that “**Honors the Game,**” and demonstrates respect for others, for the benefit of everyone involved.

Trilogy Lacrosse has a zero-tolerance policy for the following actions and they may result in ejection from the tournament at the discretion of the tournament director:

- Fighting
- Any player who leaves the sideline, or runs from the opposite end of the field, to participate in an altercation on the field
- ANY actions deemed excessively unsportsmanlike by a player, coach or fan including but not limited to any discrimination based on gender, religion, race or sexual orientation.

Tie-Breakers

1. Head to Head*
2. Fewest Goals Against
3. Most Goals For
4. Coin Flip

*In the event of a tie between more than two teams, head to head amongst the tied teams will serve as the first tie-breaker. If there was only 1 matchup between the tied teams, the team that won that matchup will win the first tie-breaker and the other teams tie-break will be determined by fewest goals allowed and then most goals for.

Rule Modifications and Points of Clarification

2023-2025 Divisions (NFHS Base Rules)

Format: 10v10. No more than 4 long sticks on the field per team.

Game Time: Two 20-minute running periods. 3-minute halftime.

Timeouts: One 45-second timeout per game. Game clock does not stop, but penalty time does stop. Cannot be called in last 4-minutes of the game.

Central Horn: Start and stop game time unless fields are on different schedules. 5-consecutive air horn blasts signal a lightning delay.

Keep It In: Team that leads by 3 or less must get the ball and keep it in the box in the final 2-minutes of the game.

No Shot Clock, No Diving in the Crease Area

Man-up/Man-down: All penalties will be running time, but time does stop during a timeout.

Substitution: No horns. On-the-fly only, except on a time serving penalty to allow a quick EMO/EMD on the field of play.

Alternate Possession (AP): First AP is awarded to the team listed first on the Field Marshal clipboard.

Advancing the Ball - Clearing Count: Team has twenty (20) seconds to clear over the midline and ten (10) seconds to touch it into the box.

One Handed Checks: ALL one-handed checks will be called slashing penalties, including one-handed stick checks that do not make contact. They are still considered a slashing penalty and will be assessed a 1-minute foul.

Body Checking: Will be called tightly in the interest of player safety.

A one to three-minute non-releasable penalty will be called for a body check that is to the head and neck area, on a defenseless player, a blindside hit, or deemed excessive. These penalties are unnecessary roughness and not in the spirit of tournament play. An egregious offense or repeated unnecessary roughness penalties may result in the ejection from a game. ***Applies to all divisions**

Stick Checks: One per game, but none in final 10-minutes of regulation game time or overtime. If stick check is found legal, the challenging team will be assessed a 30-second releasable penalty. If found illegal, a 60-second non-releasable penalty will be assessed & the goal just scored using that stick will not count.

Mercy Rule: A team trailing by 6+ goals may receive the ball at midfield following any goal (unless waived by trailing team).

Pool Play Overtime: Tie Games at the end of regulation will immediately go into a two (2) minute sudden death overtime beginning with a face-off unless either team ends game with possession in an extra man situation, in which case they will receive the ball to start OT. If the game remains tied after the overtime period, a 1v1 (a field player and goalie for each team) Braveheart will immediately follow until a winner is determined

Braveheart Rules: For a Braveheart, each team will send two 2-players, one of whom HAS to be a goalie. The goalie from each team must always remain on the defensive half of the field. Play will begin with a faceoff and then continue until a goal is scored.

Championship Game Overtime: 5-minute periods until a goal is scored. No Bravehearts unless both teams agree to it.

Age and Roster Policy

- Every participant must submit an online waiver prior to the tournament in order to participate.
- Players cannot play for more than one club program during the same tournament.
- Players may move up to play in an older age division team within their own club.
- Players cannot play in a division younger than their High School graduation year.
- Any exemption to this policy must be submitted for consideration in writing to the tournament director prior to the tournament. Violation of these regulations may result in forfeiture of games at the discretion of the tournament director.
- The tournament director makes the final decision on any roster issues.

Attendee Policy

All attendees are expected to adhere to the following policies

- Team tents should only be set up in designated areas and never on the endline of a playing field regardless of netting.
- Pets are not permitted except for service animals with proper identification.
- No alcohol on the premises.
- Attendees should adhere to parking signage and follow instructions of the parking staff.
- **COVID-19:** Attendees are expected to adhere to the following policy as well as all federal, state & local guidelines on attending large outdoor gatherings.

1. Test positive for COVID-19

Weather Policy and Schedule Adjustments

All schedule changes will be messaged through Tourney Machine

In the event of field closures and/or unplayable field conditions or adverse or threatening weather conditions, including rain, wind, lightning, excess heat and/or humidity, tournament organizers reserve the absolute and unfettered right to:

1. Cancel and/or postpone play.
2. Reduce game times.
3. Revise the schedule.
4. Interrupt and suspend games.
5. Finish or end games early.
6. The field and facility owners, not tournament organizers, have final say whether the Tournament will take place in whole or in part, or will proceed in a modified format, due to the weather conditions.

In the event there is a lightning strike within 10 miles of the facility, five (5) air horn blasts will signal **families to take shelter in their cars** and await further instruction. Updates will be available through the Tourney Machine App. Standard lightning delays are 30 minutes from the last strike. In the event another strike occurs during the initial delay that 30 minute clock resets.
