I. DEFINITION OF A GAME:

A game will be comprised of six (6) innings unless the following occurs:

- a) A game is terminated and 4 innings have been played (3½ innings if the home team is leading).
- b) **A game is terminated by the game time limit rule which is: a new inning may not begin after one hour and 45 minutes from the official start time. This will be announced and monitored by the game umpire. However, if the game is tied and additional inning or innings will be played to break the tie. (Essentially if the first inning lasts one hour and 46 minutes, the game is ended.)**

Note- the start of new inning, for the purpose of this 1 hour 45 minute rule, is defined as the last out of the previous inning. Therefore, if the last out of an inning is recorded before the 1 hour 45 minute mark, the next inning is to be played regardless of the fact that the first pitch of the new inning may not be delivered until the 1 hour 46 minute mark.

c) Mercy Rule: 15 after 3, 10 after 4, 8 after 5.

- d) Games that are “suspended” prior to one of these occurrences due to weather will be rescheduled and will resume at the point of suspension.
- e) **MLB tournament officials may terminate a game due to conduct that is deemed to be inappropriate. Coaches and Parents will respect an umpires call or decision. Umpires will be instructed to eject coaches or parents, and if deemed necessary, terminate the game. The MLB tournament director or an MLB representative if conduct deemed inappropriate, reserves the right to remove coaches or parents and terminate a game. I would strongly urge you to pass this along to your parents. I can assure you that there will be a zero tolerance policy with coaches and parents who do not follow the rules...**

- f) **8U- runs will be capped at 5 runs per inning with an unlimited last inning.**

J. INCLEMENT WEATHER:
