- Three (3) points are awarded for a win, one (1) point for a tie, zero (0) points for a loss.
- All divisions play 15 minute periods with no ice-cut. Pre-game warm-up will be three (3) minutes long and commence as soon as the Zamboni doors close.
- Any player who is assessed four (4) penalties during a game or a game misconduct is automatically suspended for the next Stevenson Tournament Game.
- Any player who is assessed a fighting major will be suspended for the remainder of the tournament.
- Running clock in the 3rd period when the goal differential exceeds 5 (stop time will resume if differential drops below 4); run clock - penalties; stop clock - injuries.
- No Timeouts permitted during round-robin games.
- Division advancements are ranked in the following manner:
 - (1) Most points; (2) Best +/- with a cap of +/- 7 per game; (3) Least goals allowed; (4) Most goals scored; (5) Coin Toss

Semi-Final and Championship Rules and Format

- Green division will play 17 minute periods with an ice cut after two periods of play. Gold, Black and White divisions will play 15 minutes periods with no ice cut. Pre game warm-up will be three (3) minutes long and commence as soon as the Zamboni doors close and the scorekeeper sounds the horn.
- Running clock in the 3rd period when the goal differential exceeds 5 (stop time will resume if differential drops below 4); run clock for penalties; stop clock for injuries.
- One (1), one minute Timeout permitted per team.
- Any ties at the end of regulation time will result in a sudden death overtime period seven (7) minutes in duration after a 2:00 minute break for the semi-final round and ten (10) minutes in duration after a 2:00 minute break for the final round. If no winner is determined, a shootout will be used to determine a winner. The shootout format will be as follows:
 - Each coach selects 5 shooters prior to the start of the shootout. All other skaters not involved in the shootout must remain on the bench. Goalies may be alternated as much as needed. Should a player be serving a penalty (except a game misconduct or a match penalty) when the shootout commences, that player is permitted to participate in the shoot-out. The team designated as the home team has the option to go 1st or 2nd. Teams will alternate shooters thereafter. Every player must shoot before a repeat player may shoot.
 - If the game is still tied after 5 shots/team, a sudden death shootout will commence. Again, the home team has the option of going 1st or 2nd. Note: the team which goes 2nd in the sudden death shootout will have the opportunity to shoot even if the team that goes 1st scores.
