Scoring

- The hitter must hit from inside a batter's box.
- All 3 players must start each attempt in "normal" fielding position and not move towards the play until the ball is hit.
 - Short stop can start no closer than even with the base path between 2nd and 3rd.
 - Second baseman must start on the first base side of the line closest to second base.
 - First baseman must start on the second base side of the line closest to first base.
- The ball must be hit to the shortstop and to the 3rd base side of the cone. The ball must hit the ground before the short stop fields it.
- The shortstop must throw to the second baseman. The second baseman must record the forced out at second base before throwing to the first baseman.
- Time will begin when the ball is hit, and stop when the out is made at first base.
- Each group will have 5 attempts. The fastest of the 5 times will be the official time for the group.
- A swing and miss by the hitter will not count as an attempt. All other contact will count as an attempt.
- A ball that is hit to the second base side of the cone will count as an attempt but the time will not be recorded.
- The fastest time in the division will be the Champions.
- If there is a tie, each group will add their fastest three times together. The group with the fastest combined times will be the Champions.
