

MANCHESTER TOWNSHIP LITTLE LEAGUE

15TH ANNUAL

MASON INVITATIONAL TOURNAMENT

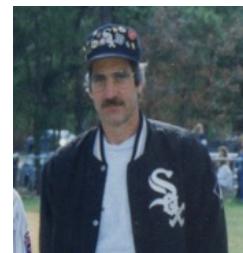

Welcome to the 15th annual Mason Invitational Tournament, or MIT for short. For 23 years, Gary Mason loved coaching little league. We can still see his face light up when he was teaching certain aspects of the game. In 1992, Gary achieved his greatest coaching accomplishment when his 12 year old All Star team won the District 18 title for Manchester Little League. Gary was always looking to make sure the kids of all ability levels played as much baseball as possible.

The MIT allows additional Little League players throughout NJ to experience All Star competition. Year in & year out, many players do not make the District All Star teams who are very capable but get caught up in a numbers crunch in most leagues. This tournament allows these players to play in something meaningful.
