

Blaine School District #503 – Use of Athletic Facilities

WAIVER AGREEMENT

By signature below, I understand and agree to the following statements and facts:

1. In consideration for permission from the Blaine School District #503 to allow me the use of the Blaine School District athletic facilities and athletic equipment, the undersigned hereby covenant and agrees to protect, indemnify and hold harmless the district and its officers, employees, and volunteers from any claims, liabilities, damage, allegations or rights of action directly or indirectly resulting from the use of the athletic facilities or equipment.
2. I understand that the district has the right to revoke permission for this activity at any time.
3. I understand that I can be held responsible for damage to district property or equipment in my use and agree to take all necessary precautions to protect district property from damage.
4. I understand the district has made every attempt to provide equipment that meets recognized safety standards, but acknowledge the district does not guarantee the safety of the equipment.
5. I understand the risks and dangers of using athletic equipment, and the consequences of not following safety rules, not wearing proper clothing and footwear, and not using equipment properly, including (but not limited to) the possibility of bone fracture, muscle injuries, skin infections, and head trauma.
6. I understand that the district is not responsible for my bodily injury or property damage when I am using this facility and equipment.
7. I agree to be responsible for my medical expenses incurred due to injuries or other conditions while involved in the use of the facility and equipment.
8. I have no permission or authority to allow any other individual the use of the facilities or equipment.
9. I understand that the district provides no supervision and no training on the use of equipment.
10. I agree to abide by the safety rules, use proper precautions, and wear recommended clothing and footwear while using the facilities and equipment.
11. I agree to immediately stop using the equipment or facilities if I find any defects in either, to take equipment out of commission, and immediately file a written report of the defect to the district.
12. I am responsible for cleaning up the facilities and equipment after using them.
13. I understand the physical activities I am engaging in and am physically fit and able to participate.

I have read all of the above and by signature below acknowledge I understand these conditions and terms, and agree to them, as stated.
