

Hi Greg & Ryan!

My name is Sara and I'm the Sales Manager for Dave & Buster's. Thanks [@Sascha](#) for the introduction.

YES! We have a **highly discounted package**, details below. You will find information on our Youth Party Packages, which are only available for youth group outings such as camps, sports teams, religious youth groups, school field trips or tour & travel groups!

PACKAGE OPTIONS

The Youth Party Packages include a full buffet, unlimited soda and a Power Card for each guest. Our most popular (and best value) package is the **Youth Game Bytes Buffet**, which comes with the **choice of Signature Pepperoni Flatbread, Ultimate Cheese Flatbread or Vegetable Flatbread**. Also includes Mini Pretzel Dogs, Boneless Wings with Ranch, Garlic Butter Pretzel Sticks with Marinara, Fries and unlimited soda as well as a \$20 Power Card for each guest. This package costs only **\$22.99 per person** (before tax, gratuity and admin fees).

Please keep in mind that we require a minimum of 15 guests for any of our Youth Party Package options, and all guests attending need to be included in the package. You will also be required to reserve one of our private/semi-private event spaces that will have an additional rental fee. Depending on the size of your group, I can let you know what event space would work best as well as the price to rent the area.

POWER CARD UPGRADES

- **Add Unlimited Video Game Play**

\$5 per person: Add Unlimited Video Game Play to your Power Card, which will last all day until the store closes! (Excludes ticketed, specialty & crane games and virtual reality attraction, which can be accessed with the chips on the game card). This feature includes the car racing games like Daytona 500, Shoot 'em Up Games like House of the Dead and Jurassic Park, Air Hockey, our virtual Roller Coaster Typhoon, Guitar Hero, the all new PacMan Royal, and many others. (So pretty much all the shooting, racing, basketball, air hockey games and virtual reality games (Excluding our new VR Attraction)).

- **Add Power Taps to your Play!**

\$5 per person: Power Taps™ are a fun new way to play Dave & Buster's games! They can be used exactly like a Power Card® to activate a game or to redeem tickets for prizes — except that they take the form of a lanyard or a wristband! To activate a

game, just tap your Power Tap on the screen of the game, unlike a Power Card which must be inserted into the swipe.
